Elms*

PUBLISHED BY
THE STUDENT UNION OF
ELMHURST COLLEGE
ELMHURST, ILLINOIS

Dedication

T HIS thirtieth volume of the *Elms* is proudly and honorably dedicated to a true pioneer in the field of education, Dr. Timothy Lehmann.

Born in Russia, Dr. Lehmann came to the United States when he was still a youngster. He has even had to change his birthdate, since the Gregorian calendar was used in Russia. He graduated from Elmhurst College in 1899, and from Eden Theological Seminary in 1902. It was during his days at the University of Virginia, that he met Martha Menzel, whom he later married. Dr. Lehmann has had many pastorships, which include churches in Maryland, Virginia, and Ohio.

It was in 1928 that Elmhurst College opened its portals to the new President, Dr. Lehmann. He came with high recommendations. During his nineteen years of presidency many changes have occurred. It was in 1930 that Elmhurst became co-educational, and in 1934, Elmhurst was recognized by the North Central Association. That was a memorable day, for the students paraded through town and the band met the president at the station.

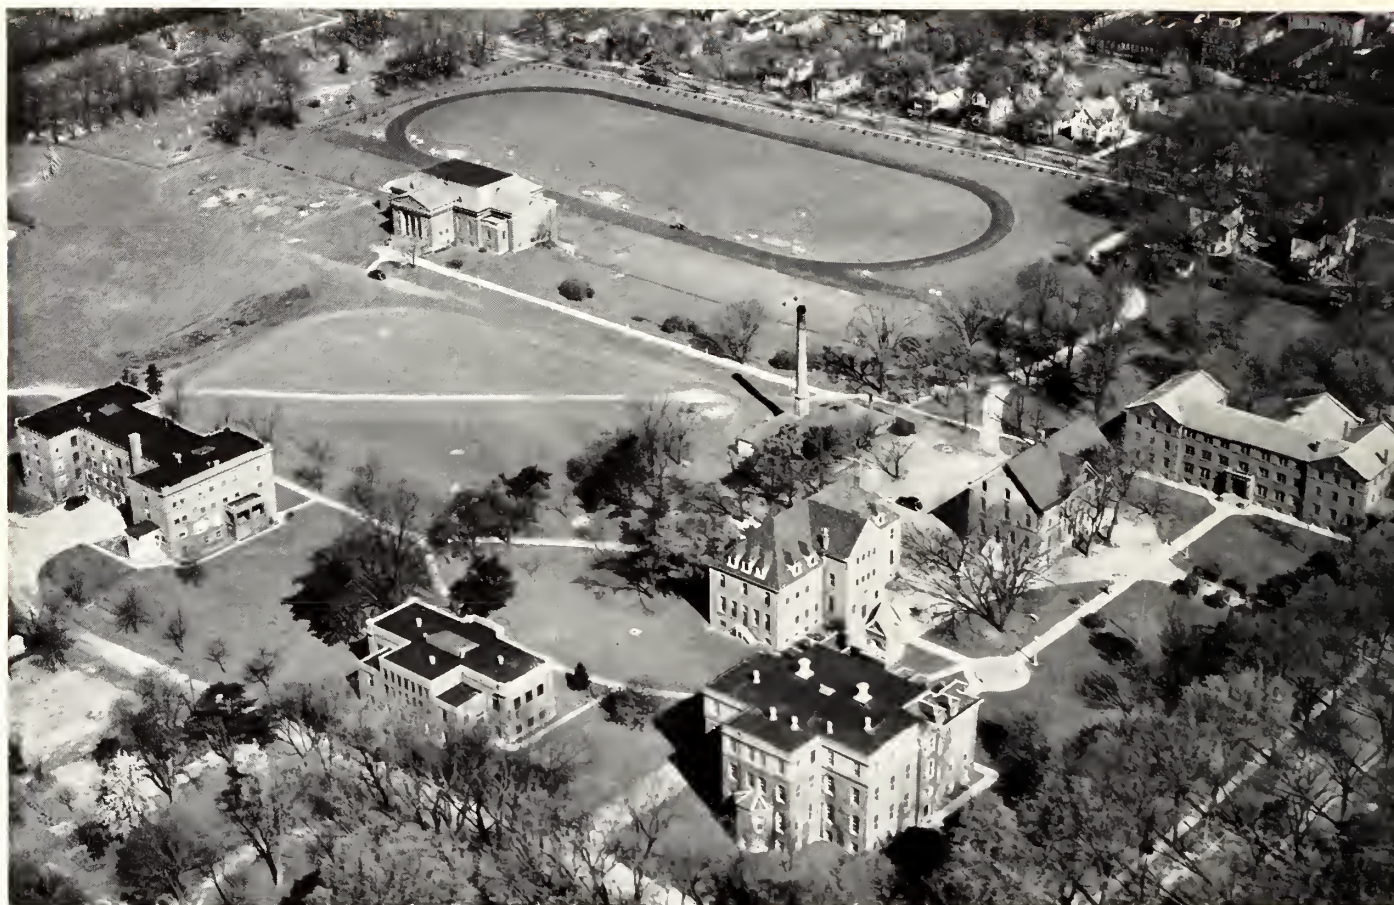

Dr. Lehmann has always been interested in the community. Here in Elmhurst, he is a charter member of the Kiwanis Club, a member of the Du Page United Charities, and the Family Welfare Association, and also has served on the draft board. He has also pioneered in the Elmhurst Musical Concert Series.

It is not only in the community that he gave his spare moments, but also to the students. He will be remembered for his addresses at chapel attendance, which have been inspiring and encouraging. Too, Dr. Lehmann has established the Freshman program and orientation from sheer hazing to integration.

Although there were only one hundred and fifty in the student body in 1930, attendance today is six hundred and fifty eight; a number that has grown each year, just as Dr. Lehmann has grown with Elmhurst. Ready to retire at the age of sixty-five, Dr. Lehmann will never cease to seek knowledge and education.

'Tis education forms the common mind,

Just as the twig is bent,

The tree's inclin'd.

Alexander Pope

The future lies ahead of us as college students. The world is slowly being restored to its former position, and as Pope states, every common mind, which includes we students, seeks education.

Education has many tasks: training the intelligence, broadening the mind, and teaching the techniques on which modern civilization is based. It may do all this yet never reach our central problem. The real issue is whether men are to be ruled by power, pleasure, their own creations, or by goodness, beauty and reason. People see the value of power in science and economics. Certainly—but of what use are they, unless men know how to use them rightly?

Power and wealth go hand in hand, for good or evil. In our world we have unlimited power; we need an education which teaches us not merely how to use that power but how to use it well.

To build up in every man and woman a solid core of spiritual life, which will resist the attrition of everyday existence in our mechanized world—that is the most difficult and important task of all learning. Take hold of your education, students, and bend your twigs rightly.

Bright lights gleaming into the night from the much-used, friendly and beautiful Memorial Library.

*Across the green and spacious lawn is popular
South Hall, where all the pretty co-eds dwell.*

*The morrow was a bright September morn;
The earth was beautiful as if newborn;
There was that nameless splendor everywhere,
That wild exhilaration in the air,
Which makes the passers in the city street
Congratulate each other as they meet.*

A MESSAGE FROM
OUR NEW PRESIDENT
DR. H. W. DINKMEYER

To a stranger Elmhurst is a lovely place, with arching elms and spacious lawns—an idyllic spot. To those on the campus it is something more—an atmosphere, a quality, a spirit.

When you attend school in these days of swollen enrollments, it may take you weeks or months before you feel at home. Not so at Elmhurst. As soon as you set foot on the campus you feel that you belong. You are a person in whom others are interested. Good will, understanding, camaraderie and mutuality come naturally. There is equality, democracy, a feeling of home.

The people you meet at Elmhurst have sterling qualities; they come from good homes. They are substantial and open-minded. Associations are rich and friendships become real and abiding. There is something winsome and challenging about these people. There is wholesome fun, fascinating fellowship and reverent scholarship.

There is also a definite purposefulness. These young people know what they are about. Although they enjoy many diversions, they are serious minded. They call forth the best in you—they count on you. There is a spirit here that makes you want to project yourself into the larger world of usefulness and service.

Elmhurst has something—unique, indefinable, indispensable for this day.

The pages of this book will try to convey some of these intangibles to you. But you really have to share in all of this in order to experience and treasure the high character of this remarkable Elmhurst.

Dr. H. W. Dinkmeyer

THE BOARD OF DIRECTORS

Seated: Timothy L. Lehmann, Erwin R. Koch, Edwin J. Koch, Paul A. Jans, Henry W. Dinkmeyer.

Standing: F. W. Rasche, Louis M. Hammerschmidt, Michael Baas, Antone E. Hotle, E. H. Plassman, George Sonneborn, Samuel J. Schmichen, Armin Hacussler, Edward W. Bruescke, William F. Naefe, George C. Buik.

Not Pictured: Mrs. Clara Ehlers, Mr. Anton C. Negri, Mr. Herbert Schmidt, Mrs. Helen Schultz, Mr. George P. Worth, Jr.

Behind the scenes the wheels of progress roll unceasingly—and so it is with the Board of Directors. Their responsibilities and activities are many and varied. Since the influx of many new students on campus, especially during the post war period, their tasks have been doubled. Many new and various accommodations had to be supplied, such as additional housing facilities, staff members, personnel, and classroom equipment, since the college has grown to six hundred and fifty students this year. The Board assumes the responsibility of bettering the education of each student.

This year, with the retirement of Mr. Paul A. Jans, the chairmanship was accepted by Reverend Erwin R. Koch, of St. Paul, Minnesota.

With the retirement of Dr. Lehmann as college president, the Board had to choose a successor. They have done well in choosing Dr. H. W. Dinkmeyer of Bethany Church of Chicago, for his deep sincerity and rich friendliness have already won the admiration and support of the entire student body.

Although a new Business Manager has not been secured, the Board has placed Dr. Lehmann and Dr. Dinkmeyer temporarily in that position, in their respective terms.

Today, an even closer and friendlier relationship between the Board and the students has been attained. Just as the college grows in standing and in knowledge, so too, does the Board of Directors grow in their endeavor to administer to the needs of every individual on campus.

DEAN OF THE COLLEGE

ALFRED FRIEDLI, M. A.

Alfred Friedli, a jovial, understanding gentleman, comes to Elmhurst College as the new dean. Dean Friedli has done much in the educational field and Elmhurst College is indeed proud of its new dean. He graduated from Central Wesleyan Academy and received his A.B. degree from Central Wesleyan College. He continued in graduate study at the University of Missouri and Illinois, and was awarded the Master's degree in Sociology at Washington University. He was former superintendent of schools in Warrenton, Missouri, and assistant principal at various high schools in Missouri, aside from numerous other positions he has held.

Dean Friedli has already won every student's heart with his warm friendship and understanding; which he has time to extend to all who come to see him, besides finding time to teach Social and Adolescent Psychology.

DEAN OF STUDENTS

GENEVIEVE STAUDT, M. A.

Although Dean Staudt has now been the victim of added responsibilities, as dean of all students, she remains the same patient and understanding person that everyone has known her to be. It is not only the co-eds of South Hall who go in to see her, but every student on campus. Dean Staudt is always willing and ready to be of assistance, whether it be about studies or personal matters. Aside from the added responsibilities that have been heaped upon her, Dean Staudt finds time to be Assistant Professor of Education, with practice teaching schedules to be made out, and the great task of preparing future teachers for the teaching profession.

PEOPLE YOU

Upper: General office staff: Miss Leveille, Mrs. A. Schaeffer, Mrs. E. Newman.

Lower: Mrs. T. F. Smith, campaign office bookkeeper; Miss Jane Beckman, secretary to Mr. Krohne.

To keep such a large institution as Elmhurst College functioning properly, requires more than faculty and students. Such an organization must depend on a host of other workers of various kinds to perform duties essential to its running. These people might be called the unsung heroes of the campus.

First, let us peek into the Advance Office to meet the people who publicize Elmhurst. Here we find Mr. Ted Krohne, the Public Relations and Promotion Director, whose responsibility is extensive. Assisting him are Mrs. T. Fletcher Smith, bookkeeper; and Miss Jane Beckman, his secretary, who also helps Rev. C. F. Schmidt, the Alumni secretary, keep the alumni informed of important events on campus.

The General Office provides the setting for the work carried on by the Administration. Here we find Mrs. A. Schaeffer, secretary to the President, Mrs. E. Newman, Miss Leveille, and Mrs. Cummings busily engaged in the work of their office, which includes registration of students, issuance of grades, and welcoming visitors.

Mr. Ted Krohne, amiable Public Relations Director.

Dr. Timothy Lehmann, the acting Business Manager.

SHOULD KNOW

The responsible task of handling the college finances had fallen to Dr. Timothy Lehmann until his retirement, when he was replaced by Dr. H. Dinkmeyer, both acting as Business Manager in addition to their tasks as President. Their capable assistants in shouldering the task, are Mrs. Gunzel, secretary to the Business Manager; Mrs. F. J. Cosgrove, who helps each student plan his yearly budget; Mr. Brown, whose duty is to balance the books; and Miss Jane Davis, clerical helper.

Next we note the college nurses to whom students can go for ready medical aid. Students Martha Waters, Jean Thornton, and Ruth Johnsen constitute the nursing staff. Now we turn our attention to Mrs. Morine Teichen, secretary to the School of Music, who handles all the finances, correspondence, and schedules of the music department.

and counsel to the residents of the Men's dormitories.

To provide food for hungry Elmhurst students, a capable staff functions in the Commons. Working under the supervision of Miss Alma Shriver, dietitian, Mrs. Martha Ladiges, Mrs. Amelia Wagner, Miss Grace Marwood, and Mrs. Nellie Caldwell prepare daily meals throughout the school year.

Over-night guests at the Commons are welcomed and "made at Home" by Mrs. E. Voigt, Hostess and Matron.

No institution can function smoothly without an efficient maintenance crew. Elmhurst has just such a crew, headed by Emil VonderOhe, and assisted by Armin Wuennecke and Lester Wiemerslage in the various tasks. South Hall and Irion Hall are kept spotless on all occasions through the efforts of Mr. and Mrs. Birl Mooney. Paul Hein, engineer, and his helpers, Roy Wiemerslage and Max Woeller, maintain the heating, plumbing, and electrical systems, while Water Pfaff takes care of the carpentry.

FRESHMAN NOMINATING COMMITTEE:
Seated: Carol Ramsey, Merrilyn Hartmann.
Standing: John Trnka, Phil Stendel, and
 Harold Renis.

The Class of nineteen hundred and fifty-one came to Elmhurst College to begin their college career with a bang. They showed the faculty and upperclassmen that they meant business and they did not waste any time in proving it. When presented with the task of producing the annual Freshman mixer, they definitely showed themselves to the best advantage.

They discovered too, that college was not all seriousness, and soon they took upon themselves to obtain, with the help of their older friends, as much as possible out of the social life which Elmhurst College has to offer.

Officers were not elected until the second semester, which caused the class to be slowed down considerably in their group contribution to the school.

The big job facing the Frosh was the production of the Freshman Hop, which was given shortly after the Spring vacation in March.

Having spent one year getting acquainted with college life, the Class of '51 is ready, willing, and capable of assuming their future responsibilities at Elmhurst College.

QUEEN OF HOMECOMING

HOMECOMING OF 1947

The theme of Harvest Homecoming, which brightened the campus with its warm mellow hues, made vivid once more in the minds of returning alumni the memories of their own student days at Elmhurst. Corn shocks, horns of plenty, pumpkins, and brightly colored leaves were used to decorate the buildings. Large signs of welcome appeared everywhere. The traditional prize for the most attractive and appropriate decorations was awarded to the Philosophy Club and the Pre-The Society for their decoration of the Commons building. The decorators had brought the Autumn harvest to Elmhurst's very doorsteps.

The alumni began the festivities Friday evening with a banquet in the Commons dining hall. There the renewal of old friendships fostered the feeling which was to make the weekend a success. The Homecoming Queen and her Court made their first official appearance at this event. After the banquet the alumni joined students and guests as they watched the Freshmen make their way across the campus in their ever impressive torch parade. Their pride and satisfaction in the huge bonfire they had built and guarded for weeks, was felt by all as the flames lit up the entire campus.

The traditional bonfire blazes from Freshman torches and casts its glow on the Pep Rally.

HOMECOMING COURT: Elaine Bloxom, Mary Louise Olsson, MerriLyn Hartmann, Loretta Llewellyn, Marie Hulleranz, queen; Mariha Green, Betty Johnson, Sue Esthus.

HOME COMING

The old Elmhurst spirit, renewed by a Pep Rally around the bonfire, was brought to a climax by the Homecoming Revue which followed. In keeping with Elmhurst tradition, this year's musical comedy, "Elmhurst Outbursts", written by a student, Dan Lehmann, and directed by C. C. Arends, referred to typical Elmhurst situations. The theme and the catchy tunes that ran through the show brought forth laughter and applause from the appreciative audience which filled the gym to overflowing. The Revue was acclaimed by all as another outstanding success for the Elmhurst College Theater.

On Saturday, the student All-Stars, for the first time in three years, were victorious over

the Alumni in their yearly Saturday morning football game. Although the big game with North Central in the afternoon ended in a defeat for Elmhurst, the spirit of the guests and students was not dampened. During the half, the Homecoming Queen, Miss Marie Hullcranz, and her Court were presented by the President of the Student Union. After words of welcome by President Lehmann and the Queen, the crowd joined in singing the Alma Mater.

After the game, the dormitories, lodge, and veterans housing, opened their doors to students, friends, and alumni, who took this opportunity to examine the living quarters of the campus residents.

HOMECOMING

"Injun Summer", as depicted by McCutcheon's famous cartoon, was the setting for the annual Homecoming Dance Saturday night. Against this colorful background, couples danced to the music of Dick Long's Orchestra, in a gym again filled to capacity. Refreshments and entertainment rounded out a full evening of pleasure for all.

The alumni and students gathered in St. Peter's Church Sunday morning for the Homecoming service, at which, Rev. Edwin J. Koch delivered the sermon. As the afternoon sun traveled westward, the strains of beautiful music drifted from the College Chapel. The Community Chorus, Polyhymnia, and newly formed Men's Glee Club did their part in making this closing event of the weekend beautiful and impressive. The new members of the Music Faculty also added their individual talents to the annual Musicales.

With the strains of the Alma Mater still ringing in his ears, each went back to his everyday tasks, carrying with him a golden harvest of memories of the 1947 Harvest Homecoming at Elmhurst College.

AUTUMN

Hungarian Club members put the audience into mood of old Hungary with songs and stories.

Not all evenings are spent studying, as can be testified by the fun and hilarious times to be had on week-ends, on ye old Elmhurst College Campus.

Hags and Stags riding broomsticks through the eery sky came to rest at "ye olde barn" for the annual Halloween Party. Upon arrival, all funmakers were promptly greeted by a host of goblins and grinning jack-o'-lanterns. The barn-like quality of the gym was further ascertained by the addition of a hayloft-plus the hay, corn stalks, and ears of corn. To refresh those who wearied of dancing and romping in the hay, cold, spicy cider was served. Then when the hands on the clock reached 11:30, all the would-be spirits disappeared.

All the Daisy Maes snagged their Lil Abners and dragged them to the Sadie Hawkins Dance. Pigtales, short skirts, patched trousers, and cabbage corsages dominated the scene; while the dancing and singing were done in true Dogpatch style.

The Sophomore semi-formal dance found couples dancing dreamily in a land of enchantment. The plain brick interior of the gym

was transformed into a forest-like maze; while the air charged with an elfish atmosphere. The Prince and Princess, Sue Esthus and Steve Csutoros, reigned majestically over this particular realm of the "Enchanted Forest".

To add a touch of flavor from the "old" world, the Hungarian Club presented "Magyar Melody". Besides ballroom dancing, skits, folk dances and songs were performed which delighted the spectators. Irion Hall Assembly was decorated musically with notes, sharps, and flats. The atmosphere gave way to a feeling of and a glimpse into the ways and manners of "old Hungary".

A number of these week-ends would not have been complete without the efforts of the Lamplighters. This group of musicians has provided the music for many occasions, including, the Halloween Dance, Sadie Hawkins Dance, and the Anchor and Eagle Valentine Dance.

Although the final curtain has fallen on four successful productions, memories will linger in the hearts of aspiring dramatists and untiring "grips".

The purpose of the Elmhurst College Theater is "to appeal to all and to only those people that possess an interest in the theater".

Any student may apply for membership by becoming a "guppy", the theater's name for an apprentice. Those who have accumulated seventy five merit hours, engaged in both acting and production work, and who have been accepted by the active members are honored by membership.

One can readily recognize an Elmhurst College theater member by his black and gold pin, one of the most attractive emblems worn by Elmhurst students.

This year one of the members, Daniel Lehman turned author and wrote a hit, "Elmhurst Outbursts", a musical comedy given at Homecoming. Members and guppies diligently

worked side by side on the winter play, "The Whole World Over", and the spring play, "Joan of Lorraine".

Brand new in '47 was "The Register", a calendar of all the theaters' activities including specific themes for each meeting, and dates of the productions, which was presented to all members and "guppies".

Another new project was a complete card file containing information about every member back to 1942, including all theatrical activities participated in each year. In years to come, additions will be made and it will be referred to so that programs, announcements, and other material can be sent to the theater's alumni.

During the academic year, the activities engaged in were: two trips to Chicago to see professionally staged plays; the sponsoring of an informal; initiating—ah!—those who have completed their "guppyship", and finally, concluded with a formal banquet.

Sherm Cunningham, captain of the football team, has led the players in fine teamwork.

The Elmhurst Blue Jays, 1947 edition, suffered from first-year-itis. In their first game of the season the Blue and White had six new men in the starting lineup—of the sixteen substitutes, twelve were playing for the first time, too. With Captain Sherm Cunningham doing the leading, the team worked hard to gain win number one, but it came only after the team had suffered six straight set-backs.

Head Coach "Pete" Langhorst, Assistant Coach R. R. Thompson, and End Coach Donald Rosback greeted letter winners, Robert Koenig, center and captain elect of the 1948 Blue Jay team; Warren Meyer, end; no tackles; Capt. Sherman Cunningham, Bill Bauer, Phil Desenis, and George Diesel, guards; Leroy Kolwitz, Cliff Martin, John Tanis, John Thomas, and Himeo Tsumori, backs. The new members were: ends, Doug Cunningham, Bob Fellows, Allen McNamara and Bob St. Clair; tackles, Paul Dempsey, Dave Geist, Walter Rock, Erv. Schaeffer, and Bob Taylor; guards, Chuck Spalten; and centers, Jack Mangnall and Frank Mack; in the backfield, Matt Kafka, Bob Green, Lloyd Sandford, Howie Workman, Fred Sanneman and Gerald Truwe.

September 20 saw the Jays start the season with a 19-7 pasting at Concordia. Trailing 12-0, the only score for Elmhurst came in the third quarter on a beautiful 80 yard pass play from Kolwitz to Meyer. Dauber Koenig converted. Concordia came right back and drove 65 yards to score the final tallies.

The Jays journeyed to Augustana for a 21-6 defeat. Sherm Cunningham broke through and blocked a kick in the first two minutes of play, Bob Fellows recovering. "Moe" Tsumori went over from the 3. For the rest of the half it was all Augustana—registering three touchdowns and as many extra points. The second half Elmhurst pushed the Augies all over the field, but just could not score.

October 4 was no different for the Jay rooters. Lake Forest came here to administer a 27-7 reversal. John Tanis drove over from the seven yard line early in the fourth quarter, and Koenig converted for Elmhurst's only scores.

Illinois Wesleyan downed the Jays 17-0 on

October 11. The Jays held the Titans even for two quarters, but the Big Green put over two third quarter touchdowns, and we had suffered defeat number four.

On October 18, the Jays were invited to Wheaton's homecoming. If the Crusaders "strike" following a homecoming victory (perish the thought) their prayers were answered, for the "pore little boys" from Elmhurst succumbed 38-0.

October 25 was Homecoming. For our opponents the much feared Jays picked weak North Central, conference champs in 1946. We lost 39-0. It was rumored that if we did defeat North Central this homecoming, we would have Notre Dame as our opponent next homecoming.

We defeated Illinois College November 1, 13-6, for our only victory of the season. Illinois College's only score came when Kafka was tackled attempting to pass and it was intercepted. Elmhurst came back and Lloyd Sandford bucked over from the one; Koenig converted. Starting from their own 7, the Jays went 93 yards for their second touchdown.

Lee Kolwitz, Q.B., gallops around end for gain against Concordia as Tanis comes up to assist.

John Thomas, halfback, being hit after gaining yardage against Concordia; McNamara in the rear.

Fred Sanneman's 69 yard touchdown run was called back for clipping but on the next play a Kafka to Meyer pass, good for 55 yards, went to the one yard line, from where Sanneman punched over.

On November 8 the Carthage Redmen proved too much for the Jays. Sandford scored from six yards out in the first quarter, and Elmhurst led 6-0 at the half. Carthage came back with two quick scores, but a long Kafka to Green pass and Koenig's conversion tied the score, 13-13. The last quarter saw the Redmen punch over two more TD's for a final score of 27-13.

In a game played on a rain drenched field, Elmhurst closed out its season with a 12-0 loss to Millikin on November 15. Millikin scored the first time they received the ball in the second half, and again late in the fourth quarter.

CLASS OFFICERS—*Row 1:* Carolyn Maisch, secretary; Harold Krieger, president.

Row 2: Robert Bogott, vice-president; Merle Baker, treasurer.

Having been graduated from the ranks of the lowly "Frosh", the Sophomores set out to prove themselves worthy of their higher status.

The able people that the Sophomores had chosen for their leaders were: Harold Krieger, president; Carolyn Maisch, secretary; Merle Baker, vice-president; and Bob Bogott, treasurer.

The most outstanding contribution of the Sophomore Class to the social life on Elmhurst's Campus, was the semi-formal, which was held November 25th. The theme of this dance was "Enchanted Forest", and it proved to be one of the most entertaining and gala events of the year, complete with a prince and a princess.

The Sophomores are also the sponsors of an all school picnic in the Spring.

Good luck to the class of '50, and bigger and better things will be expected from them in the future.

the Elms Queen *presenting Miss Sue Esthus*

To the veteran patients at Vaughan and Hines General Hospitals went the honor and pleasure of making the final selection of the Elms' Queen. The staff thanks them for their cooperation and for their fine selection.

Miss Esthus, whose home is Chicago, is a Sophomore studying medicine. Miss Bloxom, residing in Elmhurst although her home is Council Bluffs, Iowa, is also a Sophomore majoring in Fine Arts. Miss McKee, who calls Maywood, Illinois her home, is a Junior concentrating on Biology.

The other three of the six finalists, chosen by an all-student vote, were: Miss Marilyn Hartman, Freshman from Dayton, Ohio; Miss Bette Johnson, Sophomore from Chicago; and Miss Loretta Llewellyn, Senior from Glen Ellyn, Illinois.

Mr. Roark, acting as adviser, discusses important Board report with Finance Committee members.

THE Student Union is the organization through which the students exercise self-government, with every registered student being a member. The organization's purpose is to unify the students as a working unit, and to regulate all matters pertaining to student life.

The S.U. Cabinet, which carries out the interests of the Student Union, is made up of an executive committee and five standing committees. These committees, which coordinate various campus activities with the Student Union, are: Athletics, Chapel, Publications, Council on Social Life, and Library.

Working hard under Bob Abbott's leadership, the organization made several important advancements, additional equipment was obtained for social functions, and the wired-radio system was put into operation. Through the Finance committee and their fine report on the financial situation, an improved relationship between students and the Board was developed.

ONE of the larger jobs of the Council on Social Life and Relationships this year, was its active part in the Freshman Week Committee and preparations for welcoming the freshmen. Before the new school year had begun, the calendar committee had met with representatives of organizations and classes who wished to secure dates on the Social calendar. The student interest sheets were also compiled by the Resource Committee.

With the assistance of Mrs. Story, Miss Johnson, and Mr. Koenig, this council worked as an advisory and functionary board.

The new freshmen members of the council replacing the retiring seniors at the mid-year were: Erwin Schaeffer, Laura Lee Grant, Shirley Huntmann, and John Trnka. Second semester chairman and secretary were Gus Molnar and Martha Green, respectively, succeeding former chairman Charles Goldsmith and secretary Frances Wentzel.

Members outline programs for fine entertainment.

WINTER

Rev. Schade laughingly crowns Jim Schneider "King for a Night" at the Let-down party.

WINTER weeks were brightened by week end parties packed with fun for all who participated. Books and studies were forgotten; soft music, bright music, gay laughter, and light-hearted fun threw cares to the cold winter wind.

One step over the door sill and the Co-eds and their dates were no longer in Elmhurst, but far down in the "Deep South", where loveliness abounded. The scent of magnolia blossoms, white picket fences, and music, whisked the couples away into the charm of the southern atmosphere; and the college Co-eds chalked up another successful, annual girl-date-boy semi-formal affair.

For those who couldn't go home between semesters to celebrate the end of exams, the Let-Down Party gave them their opportunity to "let-down" after the two previous grueling weeks. Jim Schneider was rightly crowned "King James I", and ruled for the evening.

On Feb. 7th the Anchor and Eagle Club sponsored the last dance before Lent, an entertaining and enjoyable informal. During Lent, dancing was given up, but entertaining programs kept Saturday nights highlighted on campus.

Begun last year, the tradition of a Student-Faculty show became firmly grounded as numerous "dignified and serious" profs joined heretofore undiscovered talents, with those of students to produce a rollicking evening of laughter. Produced after weeks of hard work by the Juniors, the show was one of the most talked of and best-remembered events of the year.

In March the annual Women's Union Circus set up its Big Top in the gym. The circus was complete with clowns, gayly-colored balloons, food, and sideshows of all sorts, besides the various Big Top acts sponsored by campus organizations. The orphans "adopted" for the evening lent just the right spirit to the circus to make it the "real thing".

Climaxing an eventful evening, Dan Lehmann leads group singing at Irion Hall's Open House.

Coach Robert R. "Bob" Thompson and captain Norm Frega discuss improvements in team strategy.

ELMHURST 63, Illinois College 57, and the Blue Jays captured a tie for third place in the College Conference of Illinois. Elmhurst 67, Aurora 60, the season's final, and the basketball team had chalked up the best season record in the school's history, eleven wins against eight losses.

Every player, as well as Bob Thompson, coaching for his second season, can be proud of such a record. Although the chief factor in victory was the combined effort of all to produce good teamwork, some individual records were noteworthy. Arny Bizer led team scoring with 192 points, while Wuchner scored 184 and Frega scored 179. Ace Frega, in turn, led in the ten conference games with an even 100 points.

The team got off to a slow start, having won only two games of six when Christmas vacation began. After a loss in the season's opener to Concordia, 53 to 45, the Blue Jays whipped North Central 54 to 43, in a thrilling first home game of the season. Captain Frega

was high point man in both games, with 16 and 19 points in each.

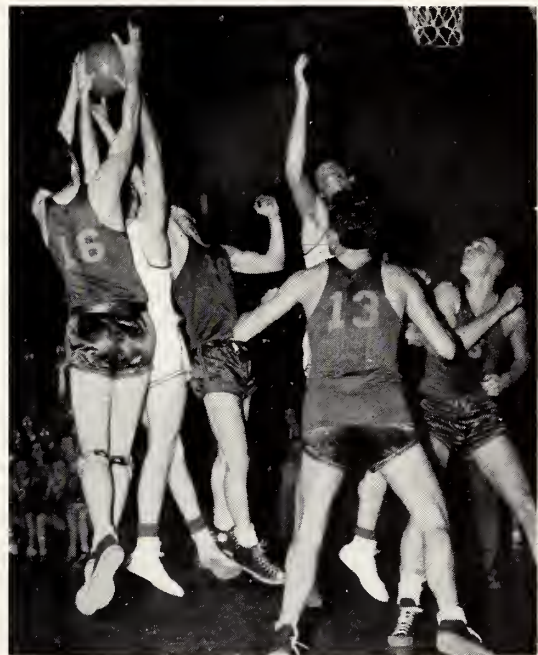

An almost disastrous southern and western trip followed, when the Blue Jays played and lost three games in five days. The first was a conference loss, 60 to 43, to the Billikens of Millikin, who eventually captured a share of the title. They then traveled to Alton where they lost to Shurtleff College, 64 to 46. Swinging up the Mississippi, the travel-weary team lost a heart-breaker to Carthage, 50 to 44.

Rested and glad to be home, the team took a short trip on Dec. 18 to Lake Forest, where they romped off with a 49 to 36 victory, and went home to enjoy a good vacation.

In the first game in January, the Jays fought fiercely and had Wheaton hanging on the ropes, but missed victory by one point, 43 to 42. It was a non-conference game.

With this loss an incentive, the Blue Jays launched a six game victory streak, four in conference play. They started it against Aurora, racking up their season's high total of 74 points against 63. Then came impressive victories over Augustana, 42-33, and Lake

Forest, 57-49. Leaders were Wuchner with 13 in the former, and Frega and Bizer with 14 points in the latter.

They slaughtered Lewis Institute next, 63 to 29. In the next game, close and hard-fought, the Jays avenged an earlier loss by beating Carthage, 39 to 35. Wuchner was high with 14 points. On Lincoln's Birthday, Illinois Wesleyan traveled here to absorb a defeat by the Jays, 58 to 55. A. Bizer was high with 17, and Frega had 15 points.

All the wins were at home, but the Jays went on the road again, where they lost three straight. All were conference losses, which dashed hopes for a possible second or undisputed third place. Augustana was host first, but the Blue Jays couldn't quite make it, losing 46 to 40. Next they tried for two season victories against North Central, but were turned back 63 to 52, as Wuchner scored 14 points. Trying hard to avenge the one point loss earlier in the season, the Jays were thwarted at Wheaton in a 55 to 46 defeat.

A fine floor-man, Captain Ace Frega was team's top scorer in conference games.

Wolatz and Wuchner (3) go after rebound against North Central, and Wolatz snares it. This was the season's first victory.

Returning home for the final conference game against Illinois College, the Jays won an exciting, hard-fought victory. Arny Bizer scored 25 points, high for the season, in the 63 to 57 win.

Concordia proved to be the Jays' victim in the final home game, as Elmhurst overcame an early deficit to win, 63-54. Wuchner and Frega each had 15 points. In the season's final, the Blue Jays outscored Aurora, 67-60, with A. Bizer scoring 19 points and Koenig scoring 15 points.

Over the 19 game season, Elmhurst won 11 games against 8 defeats, scoring 989 points for a 52 point average. Their opponents scored 948. In winning 5 of 10 games in the C.C.I., the Jays scored 484 points to the opponent's 503. Of 10 home games, the Jays lost only one, but away, Elmhurst won only two of nine games.

As ball nears hoop, W. Bizer (7) and Ace Frega (5) tense to fight N. C. for possible rebound.

SPIRIT BUILDERS

CHEERLEADERS: *Left to right:* E. George, captain; A. Greer, G. Martin, J. Comstock, M. Nisi, V. Meyer, and M. Low.

"BLUE and white, fight-fight," the school yell, and the pep song are familiar phases of our basketball and football games. Promoting school spirit and unifying team and spectators, were the primary objectives of the cheerleaders and pep band.

Always supporting the spirit of the players, the cheerleaders kept up a steady flow of cheers. Many new yells were introduced and old ones revised, as a result of semi-weekly classes held by captain and veteran cheerleader Edith George. The four fair cheerleaders got the "new look" in the white corduroy skirts which they themselves made.

Working with the cheerleaders was the Pep Band under the direction of Frank Vogel. Begun in 1946 with a nucleus of six men, the pep band has now greatly increased and improved. The band played for numerous games, rallies, and the W. U. Circus. It is strictly a volunteer unit sponsored by Mrs. Richter.

THE Men's Intramurals for the 1947-48 school year saw the class of '50, under the coaching of Gordon Carroll, sweep the first two class tournaments, undefeated in touch football and once defeated in basketball. This won them the right to oppose the Alumni in touch football on Homecoming morning. Surprising as it may seem, youth prevailed against experience, and the Sophs trounced the Alumni, 13-0.

The basketball season brought forth 8 intramural teams to play a single round-robin tournament. Team Number 3, led by John Thomas and John Lowe, finished undefeated and won the right to play the Junior Varsity in the curtain raiser game preceding the last varsity home game. The J.V.'s dealt defeat number one to the intramural champs, 65 to 50.

Volleyball, which included a faculty team, softball, and track were scheduled to keep the competitive spirit whetted in the Spring.

Exemplifying fighting spirit of Intra-murals, two of the players set a torrid pace.

INTRAMURALS

As Sherm leaps for ball, teammate Desenis uses football tactics on opponent Erickson.

MANY afternoons and evenings, the Gymnasium would begin to fill with women students eager to prove their merit as members of an intra-murals team, or as individual winners of a tournament. Class teams competed against each other in volleyball, basketball, and softball; girls competed for individual honors in badminton, archery, and ping-pong.

Tournament teams were chosen by "Teach" Johnson and her assistant, from those girls possessing good playing ability, and who had attended one more than half of the practices for that particular sport. The entering of any of the individual tournaments was not restricted by any prerequisites.

Points were given for the regulars and the substitutes of the winning teams, and to the winners and runners-up of the individual tournaments. Each girl will add these points to those won in past and future years, in an earnest effort to win and to wear that much coveted "E".

WOMEN'S ATHLETICS

D. Schoening, K. Meyer, and M. Akai test their skill and accuracy on the archery range.

There were some innovations in the athletic department this year. First of all, because of the large increase in the number of people using the gymnasium facilities, the four years of gym formerly needed for graduation was lowered to a two-year requirement. This new system proved to be a real handicap for the upperclasswomen, since the only chance they had to play was during the official intramurals practices once a week, and they had no opportunity to brush up on lost techniques.

Second, a minor was offered in physical education for the first time. This course is composed of a class in first aid, and also one in "Games of Higher Organization for Women". In the latter, the class members were taught the rules of volleyball, basketball, badminton, softball, hockey, archery, and tennis. They get a chance to practice what they learn, too, by assisting "Teach" with her regular freshman and sophomore gym classes, and by acting as officials in the various intramural tournaments. This type of work is especially

recommended for those women planning to enter teaching, or intending to do playground work.

Third and last, a trophy was presented to the class gaining the most points through the combined efforts of the men and women's intra-murals teams. This new incentive was to be that extra something needed to bring out come real competitive class spirit and create four really championship teams.

This year, the Sophomore girls defeated the Juniors by one point to win the volleyball championship. The Juniors, Seniors, and the Freshmen, all showed a great zeal and enthusiasm for volleyball, but the Sophomores proved their excellence in skill and effort in copping the championship.

The basketball season was also conducted with much enthusiasm and vigor, which produced an interesting and hard-fought race. To male visitors, the girls game seems unusual, since half of each team must remain on their half of the floor, and although the players get a chance to rest some, the action is fast for they really hustle and bustle.

The women's athletics program was again organized by Maude "Teach" Johnson, whose own ability and good sportsmanship on the gym floor has won for her the admiration and friendship of her students. Through her efforts, individual skills were developed, new techniques perfected, and team-work emphasized. "Teach" is the kind of person who can make you want to go out on that gym floor and do your best.

THE list of successes for the school of music is keynoted this year by the numerous well received tours and outside performances given by the various groups. Noteworthy among the tours, was one that the Polyhymnia took in late February and early March through Wisconsin. Other appearances of this group include those in Kentucky; Evansville, Indiana; Edgewater Beach Hotel, Chicago; and the Chicago Sunday Evening Club. Mrs. Ursula Richter is their inspiring director.

Another tour worthy of mention was that of the Men's Glee Club through Iowa, Nebraska, and Kansas in April. This popular group of twenty-seven voices was reorganized in the fall of 1947 after having been inactive during the war years. Capable direction was given them the first semester by Mr. Eugene Troth, and during the last half of the year by Mr. Keith M. Smejkal. Their program at Hines Hospital was favorably received.

The mixed Chorus and Community Orchestra were both under the leadership of world famous Nicolai Malko and proved them-

selves a credit to his brilliant direction. This year the Mixed Chorus, composed of forty active members, renewed old friendships and made new ones for their group by several appearances at Hines Hospital. An active year was also enjoyed by the Community Orchestra of forty-four members.

Memorable to campus residents and their friends, were the three concerts presented during the year by combination of the four groups; Polyhymnia, Mens' Glee Club, Mixed Chorus, and Community Orchestra. These programs were the Homecoming Musical, the Candlelight Service at Christmas, and the Spring concert.

The Chapel Choir's fine contributions to a musical year, were its attendance three times a week at chapel services, its part in the program at the Chicago Sunday Evening Club, and several appearances in various church services in this area. Mr. Ludwig Lenel is responsible for the excellent blending of their thirty-six voices.

RELIGIOUS LIFE

Our friend and neighbor, St. Peter's E. & R. Church welcomes college students to its services.

THIS year, in order to deal with the crowded conditions existing among the student body, chapel services were held twice on each of the regular chapel days: Monday, Tuesday, Thursday, and Friday. The services were held in the traditional manner with the hope that students in attending them might find some escape from the hum of college life, and receive personal inspirations.

After a hymn, a Scripture reading, a brief message by Rev. Schade, Rev. Koenig, or a visiting speaker, the students return again to their routine of daily living. The Chapel Choir offered anthems and responses regularly, and soloists frequently rendered selections.

The student's religious life was heightened each Sunday when they attended Rev. Koch's services at St. Peter's Evangelical and Reformed Church, or "St. Pete's" as it is dubbed affectionately by one and all.

Student members of Religious Life Committee talk with Rev. Schade, chairman of Chapel services.

Rev. R. Koenig conducts one of the daily worship services in the Chapel. J. Schroeder at the organ.

Members discuss current Christian literature.

THE Student Christian Association has been guided in all of its activities by its statement of purpose: "The Student Christian Association of Elmhurst College in a union of students for purposes of seeking together the nature and meaning of the Gospel about Jesus Christ."

This organization sponsored student-led Matins every Sunday morning and devotional services each week-night during Lent. Daily devotional material was secured for the student body and a reading table for S.C.A. material was kept in the library.

A clothing drive, a financial drive for the World Student Service Fund, and a food saving program, were some of the activities undertaken by the Student Christian Association.

The programs of the monthly meetings were led by well-known speakers, or by student-conducted round-table forums. "Christian Love" was the theme for this year's retreat.

WOMEN'S UNION

THE Women's Union, one of the largest active organizations on the campus, boasts a membership of every woman student. It has done much to promote a feeling of unity between town and dormitory students by sponsoring social events and recreational activities.

This popular organization is led by Evelyn Dammerman, president; Marie Hullcranz, vice-president; Beverly Hamowitz, secretary; and Nita Rende, treasurer.

Among the activities sponsored by the Union are the Big Sister-Little Sister Tea, given early in October to acquaint the Freshman women with the school activities, a vice-versa Sadie Hawkins Dance and a Christmas Tea. The Union also sponsors woman's intramurals and a swimming party. The most popular annual functions are the Co-ed Dance and the Circus.

The women students always remember the general hospitality which is the theme of the Women's Union.

Miss Hoelscher pours tea for Miss Panes and Miss Green at the annual gala Christmas Tea, sponsored and directed by the Women's Union.

F. T. A.

IN its second year, the Future Teachers of America is a social and educational organization made up of, and existing for, those students who expect to enter the teaching profession. The F.T.A. of Elmhurst College is a member of state and national associations of education.

One of the chief aims is to bring together prospective teachers to exchange views on topics concerning their chosen field, and to provide an outlet for their common interests. The group holds regular monthly meetings throughout the year, in which discussions, motion pictures, and informative lectures provide the basis for the programs of the evening.

One of the highlights of the past year was an instructive session on Parliamentary Procedure, at which, the F. T. A. presented Attorney Michael Kross, instructor-lecturer.

STEERING COMMITTEE: Co-chairman Edith George and Bob Koelling talk with adviser, Mr. Earl Davis. Miss Marjorie Cochran is also an adviser.

FIRESIDES

LAST year, Firesides made its first appearance on the campus and was well received. This year the organization has again met with enthusiasm and has afforded stimulation to serious thinking. Firesides is a student-organized discussion group which meets in the homes of faculty members.

On a Firesides evening, a hundred or more students assemble at the home of four or five different faculty members. Pre-assigned students act as host and hostess, and one student assumes the role of discussion leader. In each group of about twenty-five, the students present their personal views on school problems and national and world affairs, and these views develop into thought-provoking and enlightening general discussion.

One of the aims of the group is to develop closer and more informal association among students and faculty.

SCIENTISTS

THE Science Club is a rejuvenation of a pre-war organization which had its reorganization at the request of student interest. The popularity of the club is due largely to the fact that it was desired by students, reorganized by students, and governed solely by students.

The membership requirements, according to Earl A. Davis, club sponsor, are of two natures. A student who wishes to join the Science Club may either present a suitable project to the club members for their approval, or he may present his grades which he has received in one of the fields of science.

Timely discussions are held at the monthly meetings which are directed by the fine science profs. Since Elmhurst excels in the field of science, the Science Club hopes soon to become one of the stronger clubs on campus.

OFFICERS: *Seated:* Andrew Gyure, president; Winnie Schultz, secretary; Mr. Earl Davis, adviser.

Standing: John Brown, treasurer; Joel Mossberg, vice-president and chairman of Programs.

A. & E.

THE din of war has long since passed, and veterans who served in all theaters of war are now fulfilling one phase of their fox-hole dreams by resuming their college studies. Innumerable are the problems that confront them—rehabilitation, G.I. benefits, insurance, housing and countless others. To help meet these problems is the purpose of the Anchor & Eagle Club.

From the original nucleus of sixteen veterans in late 1945, the club now boasts over a hundred paid members. Mutually bound by their war experiences, the ex-GI's successfully sponsored the "Valentine Club" dance, and held pleasant informal parties. By holding regular Memorial services and special programs on patriotic holidays, they remembered their buddies who never returned.

Hoping and planning for the future, they stand united for a world of peace and love for which they fought.

OFFICERS: *Seated:* Louis Lammers, commander, Mamoru Fujioka, adjutant.

Standing: Don Lemke, vice-commander; Mr. Bob Thompson, adviser; Art Block, treasurer.

PHILOSOPHERS

THE Philosophy Club's purpose is to offer an opportunity to the students to clarify the present-day fundamental problems by means of semi-informal philosophical discussions.

The early meetings of the year took the form of panel discussions. A highlight of this year's program was the meeting which featured Dr. Kegley, professor of Philosophy of Religion at Lutheran Theological Seminary. These meetings were met both by enthusiasm of members and enthusiasm of contributing participants.

To publish a cross-section of opinions on the many varied aspects of life, as seen in the light of philosophy, a booklet called "The Owl of Minerva" is compiled and printed both in the fall and spring. Through the "Owl", thoughts are clarified, prejudices are dissolved and intellectual activity is stimulated. Dr. Richter is the Club's sponsor.

OFFICERS: Arline Lunzer, "Owl" editor; James Schneider, librarian; William Baur, vice-president; Eugene Schupp, secretary-treasurer; Don Burkhalter, president.

STEERING COMMITTEE: John Schaefer, Jim Schneider, Rev. R. Koenig, faculty adviser.

PRE-THE'S

THE Pre-Theological Society's aim is to increase understanding of the personal and social problems of the Christian life.

Dean Friedli opened the year with a presentation of "The Laymen Views the Role of the Pre-The", and a general group discussion followed.

Part of the year's program was a series of discussions of Christian Service. This series contained a visual aid presentation of the Christian ministry, speakers on home and foreign missions, and discussions on the forthcoming merger of the Congregational and E. and R. Churches.

As speakers, there were such personages as the Dr. Frederick W. Schroeder, President of Eden Seminary, and Rev. Jefferson P. Rogers, Associate Secretary of the Race Relations Commission on Christian Social Action of the E. and R. Church.

OFFICERS: Tom Whitcomb, president; Mary Nicol, secretary-treasurer; Florence Shigeno, vice-president; Dean Alfred Friedli, sponsor.

SOCIOLOGISTS

THE Sociology Club exists for those interested in sociological fields, and those who would like to discuss the social problems and trends of the day. The program of this club calls for arrangement each month, by the steering committee, of an outside speaker to present material pertinent to sociological fields of interest.

The first meeting this year was held at the home of the sponsor, Dean Friedli. A cordial atmosphere of informal fellowship, intensified with intellectual activity, reigned throughout the meeting. Another meeting featured John Willard of the American Friends Service Committee. Another speaker Reverend Chandler Sterling, pastor of the Church of Our Savior in Elmhurst, spoke on the "Causes of Delinquency".

From time to time noted sociologists are invited to speak at open meetings, to which the entire student and faculty body is invited.

PSYCHOLOGISTS

LEARNING in an entertaining way is the purpose of the meetings of the Psychology Club. This organization, composed not only of psychology students, but of all students interested in the subject, sponsors student-participation programs, in which problems of college men and women are discussed. Because the problems approached are common among the participants, the discussions and programs are informative and helpful as well as entertaining.

One interesting program this year was devoted to the individual's behavior, according to the way he empties his tooth paste tube. It was discovered that whether or not one rolls up the used end of his tube depends on his emotional attitudes.

The club has been guided through the year by its steering committee composed of Charlotte Krivulka and Gene Braun. The organization's sponsor is Miss Clara Loveland.

STEERING COMMITTEE: Co-chairmen Gene Braun and Charlotte Krivulka, seated, discuss interesting program with George Langelier, program director.

OFFICERS: *Seated:* M. Joens, O. Broer, sec-
treas.; A. L. Ziak, Program Chairman.
Standing: C. Hagemann, vice-pres.; P. Achtemeier,
president; R. Witzman, Dr. W. Wadeuhl,
sponsor.

GOETHE VEREIN

THE Goethe Verein has, during the past two years, risen from a state of dormancy which prevailed during the war years to one of prominence on the campus scene.

The club was reorganized last year by Doctor Wadeuhl, and this year it has taken root in the campus soil and flowered into one of the most active language groups on the campus.

The Goethe Verein met for the first time this year on Wednesday, November 5. The initial meeting was highlighted by the election of the following officers: Paul Achtemeier, president; Clint Hagemann, vice president; and Orpah Broer, secretary-treasurer.

A program committee consisting of Miss Anna Ziak, Mildred Joens, and Bob Witzmann was elected to organize the monthly programs.

The largest attendance of the year gathered at the Christmas meeting when Mrs. Richter spoke about Christmas customs in Germany.

OFFICERS: B. Swanson, president; N. Grossman,
committee chairman; W. Gohr, secretary-treasurer;
M. Nicol, vice-president.

SPANISH CLUB

Club Sud-America, the new Spanish club that appeared on campus this year, was organized to stimulate student interest in the Spanish language, and to familiarize the club members with Spanish and Latin-American customs and traditions.

The officers for the first year were: Beverly Swanson, Mary Nicol, and Winnie Gohr. Senor Rafael Moyano, the new Spanish professor, acted as club adviser.

The club meetings were always interesting and unusual. Delicacies particularly pleasing to the Spanish palate were received with surprising favor and enjoyment by American stomachs. Typical Spanish and Latin-American magazines, which are almost entirely composed of pictures, were circulated among the club members throughout the school year. The biggest project of the year, was the production of a play written by Senor Moyano and acted out by club members.

MAGYAR CLUB

A GAIN, the past year was a mile stone for the Hungarian Club. It successfully presented "Magyar Melody" to the student body, and concluded a tour in April to Racine and Milwaukee, where a two hour program was given in the Hungarian Language. The aim of this tour was to assimilate funds for the Hungarian Student Aid Fund.

Two plays were included in the program: "The Valiant", and "The Milk". Another highlight of the program was the "Csardas" with Steve Csutoros, Charlotte Krivulka, Margaret Akai, and Fred Dananay.

The purposes of the Hungarian Club are to further the speaking of the language, and to propagate Elmhurst College among E. & R. Churches.

With Dr. Dienes, club adviser and head of the Hungarian Department on leave of absence in Europe, Mrs. Mary Dienes of Cambridge, Mass., filled his position.

OFFICERS: Margaret Akai, secretary-treasurer; Mrs. M. Dienes, sponsor, Irene Binder, vice-president; and August Molnar, president.

FRENCH CLUB

LE Circle Francais, again functioning on the campus this semester, planned many programs which would help the members to become better acquainted with the language and customs of the French people.

The officers of the club which were elected for the past year, were Mamoru Fujioka, Mary Lou Baas, and Carol Ramsey. The meetings are all conducted in French, and at the gatherings French games are played, songs sung and a summary of the latest social and political news of France is given by Miss Powell.

Mademoiselle Powell, who is the faculty adviser of the club, was born in France, and studied there before she came to Elmhurst to teach. Her interesting personal stories about her country and her people add much enjoyment to the parties and programs she has planned for the French Club.

OFFICERS: Carol Ramsey, secretary; Mary Lou Baas, vice-president; Mamoru Fujioka, president; Miss Marie Powell, sponsor.

INTER-DORMITORY COUNCIL: *Seated:* Mrs. E. Krivulka, Miss G. Staudt, Mr. A. Friedli, Mr. J. Baumgart, Mr. R. Koenig. *Standing:* R. Ansley, C. Hagemann, D. Priestap, pres.; J. Newman, R. Stoerker, E. Schupp, M. Engelsdorfer.

“HOME” LIFE

Down in the new Gym Annex, some of the Frosh residents join in reading, cards, and cabbitzing.

NEVER quite able to replace the real “home,” the dormitories supply an adequate substitute, wherein the residents create the friendly atmosphere through cooperative living.

Established this year, the Inter-dormitory Council assists in closer relationships of the campus “family.” The Council acts as a reviewing board, receiving campus information, correlating it, and then making appropriate suggestions, endeavoring towards a happier, more consolidated unit. It is composed of dorm representatives, dorm advisers, and a College Executive Committee.

Another addition to dorm life was the Annex, or “Pool Hall” as it is popularly referred to by the freshmen residents, since it is the old swimming pool floored over. Due to the construction, the actions of each man directly affects the others, necessitating close harmony and cooperation in living and studying.

The fellows feel it was good experience in living, though, and much will be remembered. Al Haynal, an upperclassman and veteran, served as adviser.

SOUTH & IRION

IT is at South Hall that all the campus co-eds reside. Aside from the many rules and regulations that the gals have to abide by, it is quite dear to the hearts of many girls. It is here that gab fests, spreads, pajama parties and open house are held. If things get too quiet (??) you'll occasionally hear an ash can rolling down the hall at night.

This past year saw some changes in South Hall; triple rooms were added, and evening devotions were stimulated. That 10:10 curfew for the Freshman girls is much dreaded, and they eagerly hope for the time when they become upper classmen.

President of House Council this year was Marion Engelsdorfer. Two representatives from each class served on this council.

Mrs. Krivulka took over entirely the duties of Dean Staudt, and became a full fledged house-mother.

TURNING to the Male population, Irion Hall houses the males on campus. There is always something new going on in Irion Hall, for here are located the publication offices and the School of Music. If one is awakened early in the morning, it is because someone insists on practicing the clarinet, organ, or piano.

Rev. and Mrs. Koenig, now proud parents, still have their home in Irion Hall, and act as counselors and friends to the fellows. Portly Clint Hagemann was elected president of the dorm for the last year.

A new addition, formerly "Lower Slobovia" to 20 freshmen, was converted into a recreation room which is now being enjoyed by all students, and especially the ping-pong fans.

The main event of the year for Irion Hall and its residents, was Open House, held on March 7,—an evening well worth remembering.

A usual scene in a South Hall room, shows Flo and May browsing an old Elms, while Judy pens a note.

Relaxing for a few moments from the grind, Jim, Paul, John, and Howie enjoy some pinochle.

FOR MEN ONLY

Cozy and friendly Senior Lodge, for upperclassmen.

OFF to the south side of the campus, surrounded by tall elms, and with a spacious lawn in front, stands the Lodge, home for many upperclassmen. Behind the tall white pillars reigns a cooperative government, whereby all its affairs are kept in order by the members.

At the Lodge's annual party, the newly-elected president, Himeo "Mo" Tsumori, was crowned "Pope" in a traditional ceremony as all other members acquired the title of "Cardinals". The members buy their own newspapers, pay their own phone bills, and do their own cleaning—the latter on a roster basis.

Probably providing the most "home-like" atmosphere on campus, the Lodge produces much pride and many happy memories for its male residents. It is a scene of work and fun,—much fun, as well as hard, concentrated work, since it is small, comfortable, and away from the general rush of campus.

Time for some relaxing before studies in Cottages.

THE Cottages, or Barracks if you prefer, are three unimposing structures resting at the far west end of campus next to the cemetery. On the inside, however, it is a different scene, for the "vet" residents pride themselves in the friendly, comfortable, and "home-like" atmosphere they have developed.

Each Cottage contains four units of three rooms—two bedrooms and a larger study or living room. Just how each unit is arranged is up to the discretion and ingenuity of the four men residents. Although it means long treks to the heart of campus several times a day, through all weather, the vets enjoyed the seclusion the distance affords, studying, gabbing, and festing.

Here also, independent government reigned, with each cottage contributing to a central group, headed this year by president Jim LeGros. Acting as adviser was Mr. John Baumgart.

Time for coffee and rolls! And the town students jam up at the S.U. store window for a tasty morsel.

TOWN STUDENTS

MAYWOOD, Oak Park, Villa Park, Chicago, Riverside, and Elmwood Park are only a few of the near-by towns other than Elmhurst, that are represented by students here at college. Fair or stormy weather will find many individuals scurrying toward Old Main after having been delayed by either the "faithful" A. and E. train or the "never-late" Northwestern.

The favorite meeting places of the town students are the Student Union Room and Kranz Hall Lounge. One or many of the students will be seated at the tables in S. U., at practically every hour of the day; some will be engrossed in a serious bridge or pinochle game; others will be conversing quietly with friends; while still others will be studying diligently. As contrasted to the ever popular and busy S.U. Room, Kranz Hall offers a haven of peacefulness.

The commuters also have a study room in

the basement of Old Main, and then there's always Room 27!

Students study and chat in Kranz Hall lounge.

NURSE'S TRAINING STUDENTS

WE have on our campus this year, six ambitious, hard-working young women who have adopted the five year plan, which combines college work and nurse's training, and leads to a Bachelor of Science degree with a major in nursing education. This five year plan consists of seventy-five hours of college work followed by three years of nurse's training. After passing the state examination for registered nurses, the women are awarded their degree.

These six girls comprise approximately one-third of the regular nurse's training class at the Masonic Hospital in Chicago. The hospital is affiliated with Elmhurst College in a cooperative program whereby the girls come out to Elmhurst three days a week for one or two classes. The hospital makes it possible for them to spend the whole day here, so that they may participate in some of the activities of college life.

Five of the girls have already completed two years of college work. Phyllis Robinson and Alice Campbell of Elmwood Park attended Elmhurst for two years. Caryl Wiegman and Helen Wood, both of Chicago, attended Carthage College and the University of Iowa, respectively. Nancy Engelman of Jacksonville, Illinois, attended Illinois College for two years. Marcelline Wieloch of Chicago has had no previous college work and is taking Chemistry and Zoology.

Attending the college three days a week is in addition to the regular nurses training program at the hospital. When the girls return to the hospital each evening, they are on duty for five hours. Although it means hard work, the girls are very enthusiastic about this program, and they feel that more young women will want to take advantage of it in the future.

SPRING

JUNIOR PROM COURT: Miss Martha Green, queen; Miss Jean Thornton, attendant, and Miss Edith May George, attendant.

Bill Katel, *left*, and Bette Limberg, *center*, co-chairmen of the Prom, talk it over with heads and members of important committees.

JUNIOR PROM

A lovely night, soft music and soft lights, and the handsome couples glide across the large and beautiful floor at Medinah Country Club. Thus, the climactic highlight of the college social season, the Junior Prom, brought thrills and pleasure to the many fortunate couples in attendance.

In a fitting ceremony of recognition, the Prom Court was presented, and Miss Martha Green reigned as queen. Following the ceremony, at which the queen and her attendants, Miss Edith George and Miss Jean Thornton, were presented with flowers, Miss Green, on the arm of her escort, beamingly lead the Grand March.

Miss Green is from Villa Park, while Miss George is a Chicagoan, and Miss Thornton calls Kansas City, Missouri her home.

The evening began with a delicious dinner, served buffet style, and eaten in the large, handsome dining room. Following the dinner, the couples enjoyed delightful dancing to the beautiful music of Jim Barclay's orchestra.

Although the whole Junior Class is complimented for the grand evening, special thanks go to the co-chairmen, Bill Katel and Bette Limberg, and to the chairmen and members of their committees.

ONE year of freshness mixed with a year of sophistication; add a pinch of ego with a heaping bit of success and another year of experience. The result? The Junior Class.

When the class of '49 sets out to do something, it gets done. Anyone can tell from all the successful activities sponsored by the jaunty Juniors.

As Sophs. they originated a "Student Faculty Show" and a student directory. This year they continued these precedents, but made them even bigger and better. Then there is the unforgettable Junior prom, including both a dance and a buffet supper.

You'll find the Juniors on the honor roll, on the stage, on the football field, and basketball court,—all bringing glory to the class of 1949.

If you listen to the Juniors, they have the best class at Elmhurst. Well, who knows? Perhaps they do!

ON THE AIR!

ON the Saturday of Homecoming the campus of Elmhurst College heard the first broadcast of its own Wired Radio System. One

Technicians Schaeferle and Steiner, and chief technician Block put broadcast on the air.

week later broadcasts began on a definite schedule. These broadcasts, put on entirely by campus talent, were confined to the college campus. Warren McGovney served as the station's director, and Miss Cochran was the faculty adviser.

The Radio began very slowly, but gradually picked up momentum in its drive for student participation. A wire recorder received from the Homecoming Committee, proved invaluable.

Broadcasts this year attempted to prove the worth of a radio to the college body. The radio surmounted many difficulties and came a long way from its meager beginnings, but much remains to be done. It is the sincere hope of those connected with the Wired Radio System, that it will come to be considered the most worthwhile organization this campus has seen in many years. With good student support it cannot fail this objective.

BEHIND THE FOOTLIGHTS

IN the Spring the Theater realized a long awaited dream, an additional production which consisted of four One-acts, and the production of "Joan of Lorraine".

All the one-act plays were staged by members of Mr. Arends directing class. The plays were: "The Still Alarm," staged by Dorothy Boulton; "The Rising of the Moon," directed by Willa Sigler; "Gone Tomorrow", under the direction of Lois Schlozer; and "The Swan Comes Last", an original play by Daniel Lehmann, and staged by Ralph Klein.

These one-act plays went on the road, presented in both a church and town hall. All engagements were procured by Theodore Krohne and were sponsored by church youth organizations.

The presentation of "Joan of Lorraine", by Maxwell Anderson, closed an auspicious season on April 8, 9, 10. Robert C. MacKichan of the Yale University Theater designed the set, and C. C. Arends expertly staged the play.

This production is a play within a play with many actors playing dual roles. The play is based on episodes in the life of Joan of Arc.

Over 400 members of youth organizations from the greater Chicago area were invited to this performance.

The Elmhurst College Theatrical season was a huge success. Its first production was the Homecoming musical comedy, "Elmhurst Outbursts", written by Dan Lehmann. Another student, Andrew McGlashan, designed the set.

The next play, "The Whole World Over", by Konstantine Simonov, with an English adaptation by Thelma Schnee was presented in December. The set was built and painted by Elmhurst College Theater from designs by Robert Clark MacKichan.

Shakespeare's "As You Like It", was an entertaining informal by this group. An impressive formal initiation of guppies and a banquet when new and old members gathered together, wound up the year's activities.

Part of cast rehearsing lines for Spring production: M. Rowley, W. Rohn, R. Kroehler, D. MacKenzie, L. Schlozer, E. Bareus, W. Weymonds, A. Zaeske, R. Lund, C. Minegar.

"Joan" LaMont rehearses dialogue with other cast members: L. Schlozer, W. Bauer, J. Weisse, R. Schneider, W. Ohrman, P. Achtemeier, J. Baur, L. LaMont, R. Koelling, V. Karmann, R. Radloff.

OFFICERS: E. Johnson, publicity; J. Nordstrom, vice-pres.; E. Urban, Pres.; J. Maier, sec.-treas.

SHUTTER BUGS

IN an effort to realize an important need on campus and to bring together camera enthusiasts, the "Shutter-Bugs" organized this past semester. Showing enthusiasm from the start, the group sponsored a photo exhibition in April, from contributions by the club members.

Organized in March, the group elected Ed Urban, Jim Nordstrom, and June Maier as officers, and Ed Johnson as publicity chairman. Mr. Rosback worked as club adviser.

The club's program included mutual discussions and sharing of experiences, as well as having talks given by experienced photographers. Plans include working with *The Elms*, both to provide fuller coverage for the year-book, and to benefit each member by added experience. A major and long-term project is to acquire dark-room facilities on campus.

STAFF: Row One: E. George, M. Baas, G. Bruce.
Row Two: K. Dimmitt, G. Timke.
Row Three: D. Lehmann, R. Mueller, R. Jones.

ELM LEAVES

THE creative writing class sponsors a literary magazine called the "Elm Leaves", which contains short stories, essays, and poems written by all students interested in modern literature and writing. These works are selected by a creative writing contest with the winners in each field seeing their work in print, as well as receiving a ten dollar prize. Friends of the school and faculty members were the judges.

The prizes were given by Dr. Lehmann, Dean Staudt, and Miss Norenberg. Appropriately, the publication was dedicated to Dr. Lehmann.

Heading the staff were Bob Jones and Edith George, editor and co-editor, and Ken Stone served as Business Manager. Miss Hazel Chrisman is the faculty advisor for the project.

The cover for the "Elm Leaves" was designed and cut by Katie Dimmitt and Mary Lou Baas.

AUXILIARY

THE Women's Auxiliary is an organization which has benefitted Elmhurst through its work ever since its founding in 1919. Composed of ladies who are interested in the welfare of the college, the Auxiliary functions as a unit to keep the college's linens and towels in good condition.

On the last Thursday of each month, the members of this organization, many of whom are mothers of Elmhurst students, meet on campus to carry on their beneficial work—sewing and mending. The officers of the Auxiliary are as follows: president, Mrs. Alfred Friedli, who recently succeeded Mrs. Timothy Lehmann, president for twenty years; vice-president, Mrs. Meyer; secretary, Mrs. Langhorst; treasurer, Mrs. Berlekamp.

The industrious ladies of the Auxiliary indulge in a bit of sunshine and talk before working.

E. I. I.

Loyola victor in mile relay as Cagney breaks tape.

MICHIGAN Normal won the crown of the thirteenth annual Elmhurst Intercollegiate Invitational Track and Field Meet held on May 10 with a total of $42\frac{1}{2}$ points. Wheaton ran a close second with $34\frac{1}{2}$ points followed by Bradley with $27\frac{1}{2}$ points. Elmhurst's only tally occurred when Moe Tsumori tied for second in the 100 yard dash to score $3\frac{1}{2}$ points.

Two meet records were broken in the contest. Al Pingel of the winning team broke the tape in the two mile jaunt with a run of 9:45.2 compared to the previous record of 9:54.4 set in 1937. Germann of Wheaton ran the 220 low hurdles in :24.1 breaking the previous record of :24.4 set by Stuekie of Western Michigan.

The one mile run was taken by Perkins of DeKalb in 4:21.5 minutes. The 440 yard distance was covered in :49.9 by Cagney of Loyola. Campbell of Michigan Normal ran the 100 yard dash in 10 seconds flat.

Top: Hurdling first hurdle in 120 highs: McMillion, DeKalb; Brodie, Mich. Norm., 4th; Gundrum, Mich. Norm., 2nd; Smith DeKalb, 3rd; Grieve, Bradley; Germann, Wheaton, 5th; Taylor, West. Mich., 1st.

Bottom: Moe Tsumori of Elmhurst, far left, ties for second in century; Kristufek, Chi., tied 2nd; Hinkle, Aug.; Or-gantini, Brad., 4th; Neuleib, Brad.; Germann, Wheaton, 5th; Sheets, DeK.; Campbell, Mich. Norm., 1st.

Taylor of Western Michigan ran the 120 yard dash in :14.8 which tied the 1946 record. The 880 yard run was covered in 1:56.5 by Perkins of DeKalb while Michigan Normal's Campbell took the 220 yard dash in :21.6.

The high bar was set at 12 feet 6 inches when Zvolanek of Milwaukee and Naveaux of Michigan Normal were the only clearers, thereby sharing the top honors.

LaRose of Charleston heaved the shot put 46 feet 5 $\frac{3}{4}$ inches for a first. A four place tie occurred in the high jump when the bar was set at 6 feet 3 $\frac{3}{8}$ inches and cleared by Heintzman of Bradley, Downing of Augustana, Crozier of Wheaton, and Taylor of Western Michigan.

The discus was thrown 134 feet 9 inches by Gipe to take a first for Macomb. Campbell of Michigan Normal cleared the broad jump

at 22 feet $\frac{3}{4}$ inches and Favorite of Bradley threw the javelin 175 feet for a first place. The one mile relay was taken by Loyola in 3:24.3.

Miss Betty Johnson of Chicago reigned as queen over the 1947 E. I. I. assisted by four attendants, June Obermaier, Sue Esthus, Marie Hullcranz, and Jean Thornton. After each event the queen awarded the first place trophy to the winner and the four attendants presented the remaining four place awards.

The participation in the 1947 E. I. I. broke all previous records with 493 athletes from 27 schools participating.

The 1948 E. I. I. was held May 8, but due to obvious time requirements, the results could not be tabulated for publication in this book.

1947 TRACK TEAM

Kneeling: L. Gorbies, D. Russell, R. Bogott, R. Deufel, J. Minlitz, J. Lowe.

Standing: Coach Bob Thompson, R. Baur, W. Erickson, K. Hasemann, B. Willhouse, D. Kasmar, M. Pepmeier.

TRACK AND FIELD

"Duke" Larson, promising Freshman high-jumper, as he wins at North Central Quadrangular.

BOB Thompson's Blue Jays began their 1947 season slowly, gaining only 11 points at the initial quadrangular meet at Naperville, while North Central piled up 104 points. Moe Tsumori gained a first in the 60 yard dash, and Roy Lorenz placed second in the pole vault. In the Midwest Invitational at North Central, Elmhurst had to settle with a sixth in the 60 by Tsumori, while Wheaton edged out North Central for the crown.

The thinelads went outside for the remaining meets, and although they started badly against Morton, they grew stronger as the season progressed, ending with a lop-sided victory over Concordia in a dual meet.

Bob Willhouse, veteran hurdler and field event man made 12 points in the 83½ to 47½ Morton loss. Helping the Blue Jay cause, Bogott won a first in the mile, Schleinzner a first in the shot, and Tsumori a first in the century.

1948 TRACK TEAM

Seated: L. Gorbics, J. Smith, K. Schoening, E. Braun, G. Eastman, R. Baur.

Standing: Coach R. R. Thompson, K. Haseman, D. Kasmar, W. Erickson, M. Pepmeier, W. Schmitz, G. Smith, M. Krueger, manager.

TRACK AND FIELD

In the triangular meet with Loyola and Illinois Tech, the tracksters copped second with 46½ points, with Willhouse racking up 20. Babe Lowe took first in the javelin throw, and Lorenz won first in the pole vault.

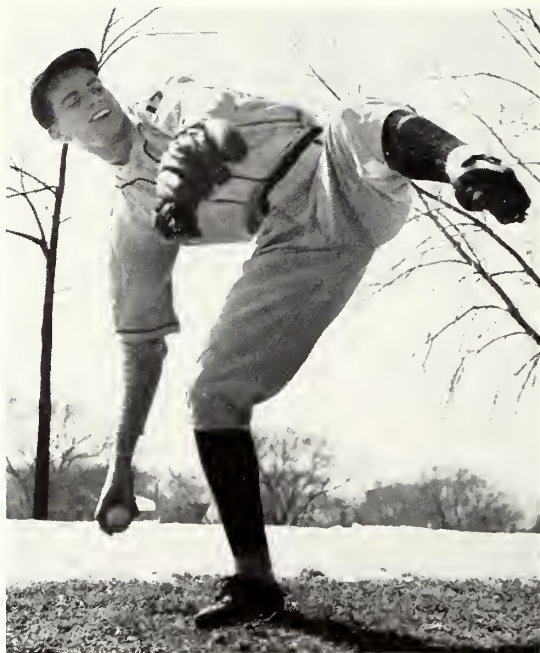

The Blue Jays came out second best, 40 to 91, against Wheaton's powerhouse. Tsumori won both the 220 and 100 yard dashes, and the Jays swept the javelin event.

In the C.C.I. Meet, the Jays scored four points, on a third by Tsumori, and a fifth by Pepmeier with a 2:5.4 half mile.

The 1948 season promised better fare for the cinder-splitters, for in the initial meet at North Central, they copped 33 points compared to last year's 11. Newcomers Larson, Schmitz, McNamara, Herne, Schoening, and several others, strongly supported veteran tracksters such as Willhouse, Tsumori, Baur, Pepmeier, and Eastman.

Tom Herne, promising freshman hurdler, who gave Bob Willhouse some needed support for points.

Joe Meyers rears back for that fastball.

COACH Oliver "Pete" Langhorst's Blue Jay Nine showed a better rating in the winning column for the 1947 baseball season than they have for several past seasons. The Jays won 4 games out of 12 for a .333 percentage, and were ahead 3-2 in a called game with Wheaton that was never replayed or continued. The Blue Jays scored a total of 65 runs while having 82 scored against them.

The season started well for the Jays as they traveled to Wilson Jr. College for their first game. The Elmhurst boys fought hard to overcome a large early lead built up by Wilson, and the Jays managed to tie the score at 7-all at the end of the regulation time and then pushed a run across in the extra inning to win 8-7.

Milliken came to Elmhurst and walloped the Jays in a 21-4 defeat. The third game was at Wheaton. Rain forced the game to be called in the 4th inning with the Jays leading 3-2.

1948 BASEBALL TEAM: *Front:* H. Jones, D. Engelsdorfer, H. Potts, J. Schneider, C. Spalten, W. Cody, R. Kurotsuchi, W. Behr. *Rear:* D. Schler, manager; M. Kafka, R. Keller, E. Mueller, W. Mielke, P. Pobanz, J. Meyers R. Tabbert, A. Bizer, L. Kolwitz, Coach Langhorst.

BASEBALL

Army Bizer and Coach Langhorst don the masks as Jim Schneider takes some practice cuts.

The remaining results of the season were: a loss to North Central 10 to 7 in 10 innings; a win over Augustana 8 to 5; a defeat at the hands of Lake Forest 6 to 4; and another victory, 11 to 4 over Wheaton.

Then came a five game losing streak for the Jays, Illinois College 2 to 1; North Central 6 to 0; Concordia 4-2; Lake Forest 5 to 3 and Augustana 9-6. They won the final game of the season, however, 11 to 3 over Concordia.

With only three regulars, Traut, Postula and Gregson, gone from last year's team, the players had good hopes for this year. Such players as Schneider, Kolwitz, Westerlund, Kafka, Tabbert, Meyers, and the Bizers returned, and several new men, such as, Jones and Pobanz looked promising. A good season was in vogue.

1947 TENNIS TEAM: *Front:* Jim LeGros, Dick Kucera, Bud Albertsen, Bob Ansley.
Rear: Warren McGovney, Les Brune, Coach C. C. Arends, Clarence Kohring.

TENNIS

1948 TENNIS SQUAD: *Row 1:* R. Kucera, B. Albertsen, J. LeGros.
Row 2: R. Thomas, C. Hagemann, R. Ansley.
Row 3: C. McCreary, B. Rader, C. Kohring.

THE 1947 season was fairly successful, not in winning a majority of their matches, but in preparing a team for this year. The team gained considerable strength as the '47 season progressed, as shown by defeats administered to Illinois Normal and Lake Forest in return matches.

Coach C. C. Arends expects better things this year, with all lettermen returning, except Don Davidsen and Les Brune, and a status quo ante bellum—pre-war stuff—is the goal.

Bud Albertsen, with a fine 1947 record behind him, will return as the No. 1 man. The other lettermen returning, Ansley, LeGros, Kohring, and McGovney, will bid for the other positions along with the new members.

Although Elmhurst is the only conference team that is without tennis courts, they were cordial hosts to the C.C.I. tennis matches in May. The matches were played at East End Park and Wilder Park.

LETTERMEN

THE "E" Club is possibly the most exclusive club on the campus with membership limited to winners of varsity awards in a major sport.

The following are the executive heads: Lee Kolwitz, president; Warren McGovney, vice-president; and Bob Ansley, secretary.

The all-important day, especially for the newcomers, was December 17, which was proclaimed "E" day. All lettermen wore their sweaters during the day, and in the evening a formal "welcome" party was held for the new men in the gym.

Among the club's activities was the sponsorship of an informal dance on January 17 and free distribution of basketball programs. The club is having football and basketball schedules printed during the summer for distribution next year.

The most prized possession of the ninety-two club members is their "E" pin. The small gold letter must be kept until the wearer decides to "pin" his favorite girl.

OFFICERS: R. Ansley, secretary-treasurer, and W. McGovney, vice-president, check a report with president Lee Kolwitz.

Three members of the golf squad, Harvey Miller, Slat Wolatz, and Wally Bizer, check their scores on return from a practice round.

GOLFERS

IN a return to pre-war status, golf was resumed this year on a varsity basis. Under Coach Thompson's direction, the varsity team was established by competition of eligibles in trial rounds.

Although competing for the first time in several years, a successful season was hoped for. Dual matches were held with several of the conference teams, and on May 15, the Jays were hosts to the C.C.I. Tournament. Held in conjunction with the conference meets in Tennis and Track, this tournament was played on Elmhurst's home course, Timber Trails.

Two veterans of the '42 squad, Bob Huntsha and Harvey Miller, returned, but promising them stiff competition for varsity berths were: Bob Wolatz, Wally Bizer, Harry Lavin, Dom Zito, Lee Sceske, Doug Cunningham, Ron Wilson, and Paul Buckholz.

CLASS OFFICERS—*Seated:* Don Burkhalter, president.
Standing: Willa Sigler, secretary; Tom Whitcomb, vice-president; Keith Hunt, treasurer.

The Class of '48

WHO'S WHO: *Seated:* Harriet Brosmer, Katie Dimmitt, Sibylle Gerstenberg. *Standing:* Vern Karmann, Les Brune, Harley Krieger, Bud Hofer, Bill Baur.

LOOKING back over their last year at Elmhurst, the seniors will remember many busy and happy days. Memorable days which filled-out their college career. Days spent in completing their last graduation requirements, trying to take all the courses and to do all the things that they had always wanted to do before leaving college—and having as much fun as they could while doing it.

Although the seniors held a delightful informal for the student body in the spring, the highest spot on their calendar was the observance of Senior Week. Relaxing after their last finals and preparing for that all-important day, Commencement, they picnicked and went theater-partying together, filling those last few days with the laughter and excitement of events which they will always count among their happiest.

The seniors presented a fine camera with accessories as their class gift.

EACH year an edition of *Who's Who Among College Students in American Universities and Colleges* is compiled, primarily to furnish a source book for industries and businesses of the graduating college and university students throughout the country, who have shown exceptional ability in their work. Both prospective employers and graduating students have often benefitted greatly because of the material furnished in *Who's Who*.

Since 1941 Elmhurst College students have been included in this book. The selections for *Who's Who* are made on the basis of high scholastic achievements, character, and leadership ability and willingness to cooperate, as indicated by accomplishments in extra-curricular activities.

Eight Elmhurst College seniors have been honored this year for inclusion in the 1948 edition of *Who's Who*: William F. Baur, Harriet Brosmer, Lester H. Brune, Katharine Dimmitt, Sibylle Gerstenberg, Elver Hofer, Charles Vernon Karmann, and Harley Krieger.

SENIORS

ROBERT B. ABBOTT

Biology
A tribute to Bob's popularity was the fact that he served as Student Union president in his senior year. Bob was also vice-president of men. Interested in athletics, he participated in football, basketball, track and baseball.

WYNNELL ADAMS

Sociology
Wynnell transferred from Iowa State College her second year, where she was a member of the Sigma Kappa sorority. She was an active member of the Sociology club. In the future, she is looking forward to becoming an airline hostess.

WILLIAM F. BAUR

Philosophy
A missionary's son, Bill plans to go into the mission field. He was vice-president of the Philosophy club and his Freshman class, and treasurer of the S.C.A. Bill earned letters in track, active in various activities, and selected for "Who's Who".

GERALD BOCK

Sociology
Gerald's future work lies in the ministry field. He was an active member in the Sociology club, Philosophy club, S.C.A., and Pre-the society. With summer school work, Gerry was able to finish college in three years.

DOROTHY BOULTBEE

Biology-Chemistry
In spite of her heavy schedule, Dottie found time to devote to the Theater, and also to serve on various committees. Being a commuter, Dottie was one of those who bravely faced the ice and snows. Her ambition is to be a medical technician.

HARRIET BROSNER

English
One of "Who's Who" members, Harriet plans to go into teaching. Interested in music, she was a member of Mixed Chorus, Chapel Choir, and Polyhymnia, being president of the latter. Harriet held offices in the Philosophy club and F.T.A., and was on the *Elms* staff.

GAYLA JUNE BRUCE

Sociology
Besides being a member of the Sociology club, Mixed Chorus, Philosophy club, and active in Firesides, Gayla was always a willing committee member. She always turned out for intramurals. Gayla would like first to see the U.S., and then do graduate work.

LESTER H. BRUNE

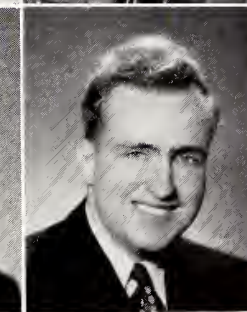

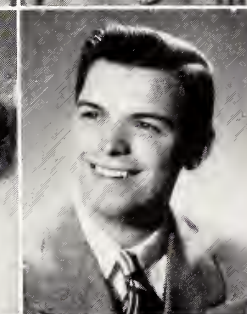

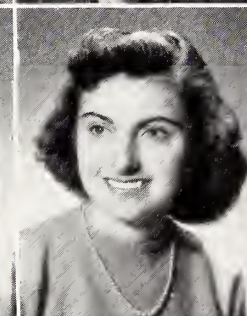

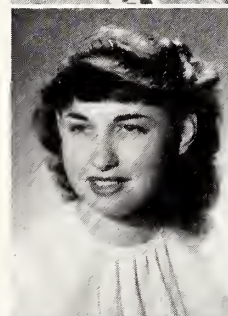

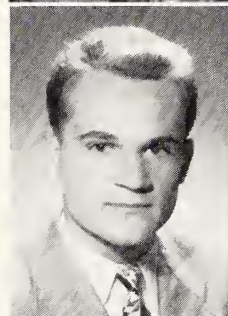

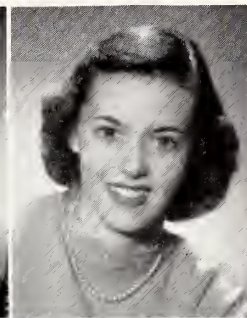

History
Always active in class activities, Les was class president two years. He was active in Philosophy club, Glee Club, *Elms*, *Elm Bark*, and F.T.A., of which he was president. A "Who's Who" member, and planning to teach, Les was Doc Crusius' and Miss Loveland's assistant.

DONALD BURKHALTER

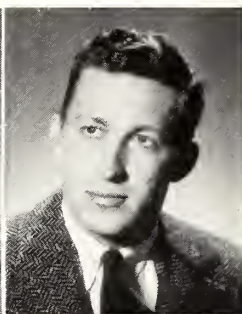

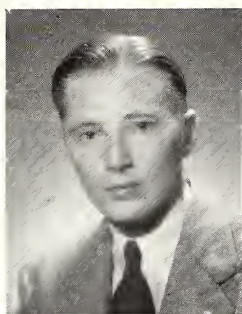

Philosophy
"Burk" was president of the class of '48, and was known for his ever-friendly personality. President of the Philosophy club, he also belonged to the Mixed Chorus, Chapel Choir, Glee Club, Pre-the society, and S.C.A. "Burk" plans to enter the ministry.

DONALD C. CLARK

History
Don returned from the service to finish his college education. His interest lies in the field of teaching. He was a member of the F.T.A., Anchor and Eagle, and Philosophy club. Interested in sports, Don took part in intramural football and baseball.

SENIORS

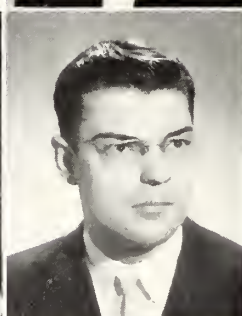

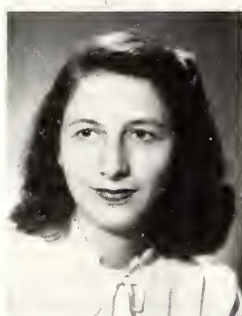

DONALD W. CORY . . . Philosophy and Mathematics
In January, 1947, Don transferred from Northwestern University to Elmhurst. Here he completed his college studies and his future plans are to continue in the field of engineering. Don served on the senior gift committee.

HARRY DAGLEY . . . Biology
A good worker in the Biology Lab, Jack is better known in the athletic field. He excelled in both football and basketball, but since his leave to help Uncle Sam, he has concentrated on the hardwood court. Jack plans to continue in the Science field.

EVELYN DAMMERMANN . . . Sociology
Although her future is to be a minister's wife, Evelyn has also prepared herself for teaching and social service. She was president of Women's Union, a dorm council member, and active in Sociology club, *Elms Bark*, Theater, Philosophy club, S.C.A., and F.T.A.

KATHARINE DIMMITT . . . English
Planning journalism as a future, Katie contributed regularly to the *Elm Bark*, *Elms*, and *Elm Leaves*. She was active in Mixed Chorus, Theater, Women's Union, and Firesides, and was vice-president of her junior class. Katy was chosen a member of "Who's Who".

ALIDA DUREAU . . . Speech
Although greatly interested in Speech, Alida's primary allegiance is to the field of Modern Dance, and she hopes that will be her future. She was an active Theater member. Alida comes from the "Deep South" and spent her Junior year at L.S.U.

PAUL N. EISSLER . . . Business Administration
Interested in retailing and commerce, Paul is planning on continuing his schooling in this field. He has been a member of the Theater, and as a veteran, belonged to the Anchor and Eagle club. Paul also worked on the *Elms*.

MARION H. ENGELSDORFER . . . Biology
South Hall's prexy will be a medical technician in her home town of Detroit. She was a valuable member of Polyhymnia, Chapel Choir, and Mixed Chorus, and a contributor to the *Elm Bark*. During her Freshman year, Marion was treasurer of her class.

JAMES E. FISHER . . . Biology
A veteran, Jim was a member of the Anchor and Eagle club. He hopes to make his future in the field of medicine. As a resident of the "Cottages", Jim picked up quite a few tricks in the culinary field. He also worked on the *Elms* staff.

NORMAN FREGA . . . Biology
As captain of the basketball team, "Ace" led his team to third place in the Little "9" standings, and to the best record in Elmhurst's history. Although a star in sports, "Ace" intends to make his future in the Science field. He is also a vet.

RUTH FULTON . . . Economics
Always willing to help, Ruth was chairman or an active member of numerous committees. She belonged to the Sociology and Philosophy clubs, and could be relied on for intramurals any time. Ruth's future plans are undecided, but they must include travel.

CLASS OF '48

MARYELIZABETH GARDNER . . . Business Administration
Transferring from Wilson Junior College, Maryelizabeth came to Elmhurst in her junior year. She has participated in Mixed Chorus, Philosophy club, and the *Elm Bark*. She has chosen her major to prepare for a career as buyer at Marshall Field & Co.

SIBYLLE GERSTENBERG . . . Philosophy
Sib's leadership was recognized by her selection to "Who's Who". Her activities were widely varied from intramural badminton, to Firesides, Elm Leaves, the Prom, editing of the "Owl of Minerva", and religious life chairman of S.C.A. Sib plans to teach after her master's degree.

CHARLES GOLDSMITH . . . Philosophy
"Goldie" was a familiar figure in the Theater, Philosophy club, S.C.A., and Pre-the society. Besides offices in these groups, he has served on the Council of Social Life, chairman in his last year. "Goldie" graduated in January and continues toward the ministry.

DON GRUNWALD . . . Philosophy
The Philosophy club, S.C.A., and Pre-the society claimed his interest all his years at Elmhurst, since Don is preparing for the ministry. He has played on the varsity Baseball team since Freshman days, and has participated in intramural sports.

MARVIN GUTHAUS . . . Biology
Marv has majored in Biology and plans to continue his study in this field in graduate school. One of Elmhurst's many veterans, he was a member of the Anchor and Eagle club. He also belonged to Goethe Verein and to the Science club.

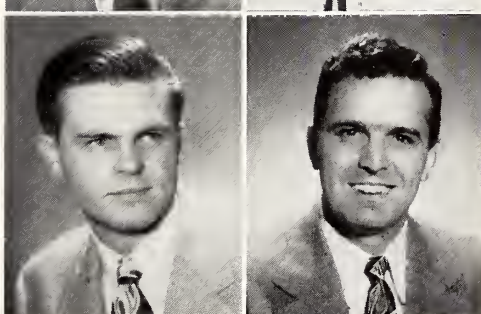

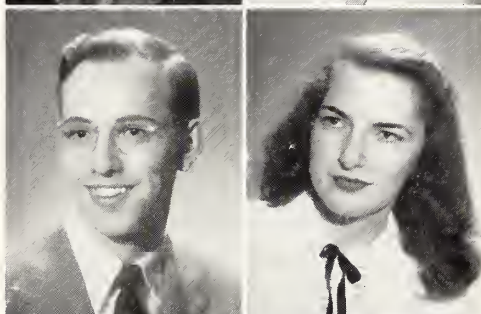

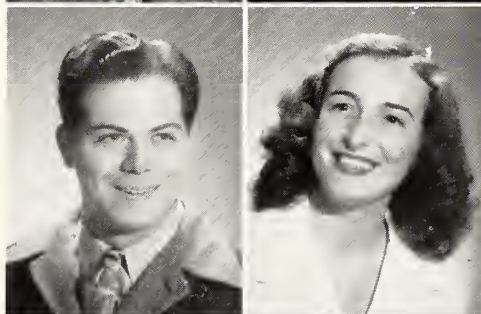

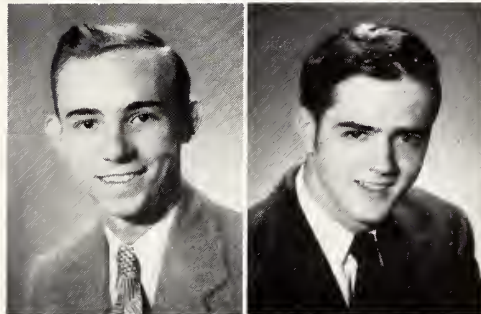

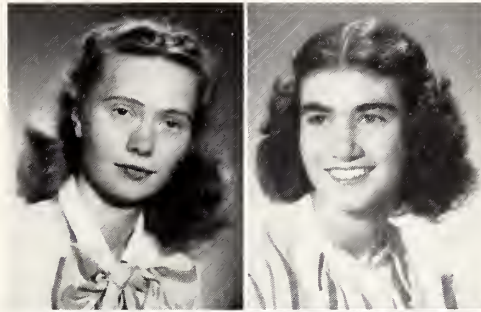

JUDY HANCE . . . English
Judy has participated in almost every activity on campus, including presiding over Bond drives, the Prom, and the 1947 Homecoming. She has earned a letter in women's athletics, was class secretary, and on the *Elm Bark*. Judy plans to teach in the future.

ELVER HOEFER . . . Philosophy
Bud completed his work in January, and is now at the University of Chicago. Very active, Bud earned a place on "Who's Who". He was active in Chapel Choir, Philosophy club, Pre-the, *Elms*, and managed the track team. Bud plans to become a minister.

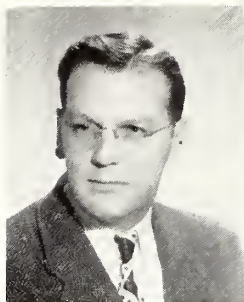

MARIE HULLCRANZ . . . Spanish
In preparation for becoming a translator, Marie transferred from Northwestern in her junior year to major in Spanish. In her senior year, she was chosen as Homecoming queen, and served as attendant at the 1947 E.I.I. She was vice-president of the Women's Union.

KEITH HUNT . . . Chemistry
Keith was one of the first veterans on our campus and served as the first commander of the Anchor and Eagle club. He earned a football letter in 1946. Keith managed the finances for 1947 Homecoming, and was class treasurer his junior and senior years.

ROBERT F. HUNTSHA . . . Biology
Bob finished three years of college, and then served in the army, returning in 1947. Athletics, including golf, football, and baseball claimed most of his time. He helped direct the '47 Homecoming. He plans to do transportation or management work.

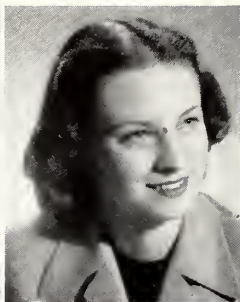

SENIORS

PHILIP R. JACOBY

Chemistry
Phil has finally satisfied his wanderlust, having spent most of the years between 1938 and 1945 traveling. Thanks to the war, "Jake" is graduating with the class of '48 instead of '44. He intends to continue to work hard, and to pursue that medical career.

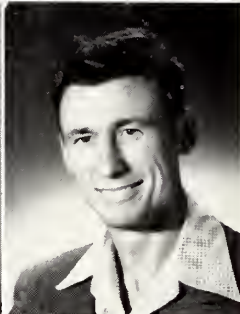

CAROLYN KAMPHENKEL

Biology
Always full of pep and "electricity", Kampie has been quite active in various committees on campus. She has been an active member of the Chapel Choir all four years. Carolyn's chosen profession will be in the teaching field, probably Biology.

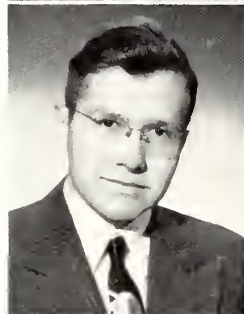

CHARLES VERNON KARMANN

Chemistry
Vern was a pre-med student, but his activities ranged from writing for the *Elm Bark* to presiding over the "Big Top" of the Women's Union Circus. Active in the Theater, he has appeared in a number of productions. He was Bookstore manager, and is on "Who's Who".

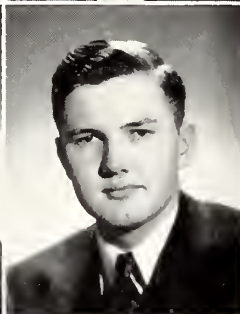

BILL KAUTZ

Sociology
Bill's experiences of the war years supplement his college studies to prepare him for his chosen vocation, labor organization. He earned letters in Baseball while in school. Foreign relief work occupied much of his spare time from 1939 to 1948.

CHARLES KELLER

Political Science
Charlie has studied four years at Elmhurst as the first lap in his training for law. He was most often to be found in the Library, but he also appeared on the varsity baseball diamond, and played intramural football and basketball.

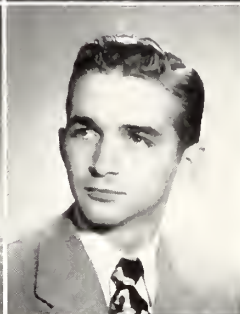

RICHARD KELLER

Chemistry
Dick graduated in January, and has since then pursued his favorite subject, Chemistry, and works in a "Chem" lab. Faithful and hard-working, he did all of his tasks well. Dick, also known as John by fellow students, is a native of Elmhurst.

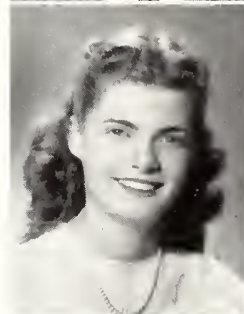

HARLEY KRIEGER

Philosophy
Harley was a leader from his Freshman year, when he was class president and chairman of the Freshman Mixer. His biggest job was editing the 1946 *Elms*. He also held offices in S.C.A., Philosophy club, and Pre-the society. Harley is a member of "Who's Who".

LOUIS H. LAMMERS

English
Although Lou's future is still a bit indefinite, teaching is most likely. A former Marine, Lou served as secretary, vice-commander, and commander of the Anchor and Eagle club. He was on the steering committee when the Sociology club was organized in 1946.

LORETTA LLEWELLYN

Biology
Bravely commuting from Glen Ellyn for the last four years, Loretta now has a B.S. degree, many friends, and memories of serving as Junior Prom and Homecoming attendant in 1947. Having majored in Biology, "Lew" plans to work in a medical clinic, and of course, to marry Grant.

W. HARVEY MILLER

Chemistry
Harvey is another of the men whose college was spread out by intervening years in the service. He has not quite completed his major, but will earn the remaining credits in summer school. His extra-curricular activities included golf, and being a proud "papa".

CLASS OF '48

MARY NICOL Sociology
"Mike" will make either teaching or social service work her future. Besides being secretary-treasurer for the Sociology club and publicity chairman of the Women's Union, Mary has taken part in the Theater, *Elm Bark*, F.T.A., and Philosophy club.

FRANCES PANES Sociology
Secretary of her class the Sophomore year, Franny was a member of Social Life and the Sociology club. She was very active in the Women's Union. She would like to work in a publishing company, although her future interests center around her coming marriage.

THEODORA PAPSDORF Sociology
After traveling extensively in the United States, Teddy plans to go into church work. A "Buckeye", she attended Schauffler College in Cleveland her Freshman year. She was a member of the S.C.A., Philosophy club, Sociology club, Mixed Chorus, and Chapel Choir.

WARREN SCHLEINZER Biology
Warren's work of the future lies in the field of medicine. He returned to finish college after several years in the service. Warren was noted for his work in Track and Basketball, making letters in both, and also in intra-murals. Recently he was married.

LOIS SCHLOZER Speech
A familiar person in many campus activities, Lois was a cheerleader for two years. Her years also included participation in the S.C.A., Polyhymnia, Theater, Women's Union, F.T.A., Sociology club, and Intra-murals. Lois plans to teach in her home state of Minnesota.

WINIFRED SCHULTZ Biology
A lab assistant in Biology, Winnie is interested in becoming either a lab technician or a teacher, although her immediate plans include marriage. Winnie was an attendant in the Junior Prom, E.I.L., and Homecoming courts, secretary of the Science club, and in the F.T.A.

EUGENE SCHUPP Philosophy
The Christian ministry is Gene's calling. Secretary-treasurer of the Philosophy club, he also belonged to S.C.A., Pre-the society, and Mixed Chorus, and served on the Inter-dorm Council. He was manager of the Football team. Gene graduated in January.

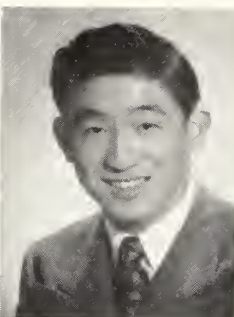

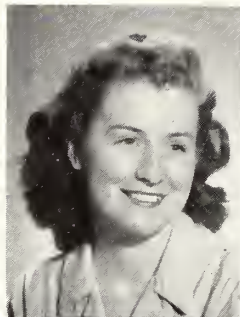

FLORENCE SHIGENO Sociology
Known for her friendly smile, Flo was active on committees, and in Intra-murals, earning both her sweater and her letter. Flo served as secretary for the Inter-dorm Council and the Athletic Committee, vice-president of the Sociology club, and Dorm Council member.

WILLA SIGLER Speech
Willa's immediate attention is centered on her coming marriage, after which she plans to teach. Well-remembered in Theater, Polyhymnia, Chapel Choir, and Mixed Chorus, Willa also took part in the Philosophy club, S.C.A., F.T.A., Firesides, and Religious Life.

GORDON E. STECKER History
After completing his first three and one-half years at Elmhurst, Gordon transferred in January to Emmanuel Mission College in Michigan. His intended vocation is the ministry. While here, he was a member of the Sociology club and Pre-the society.

SENIORS

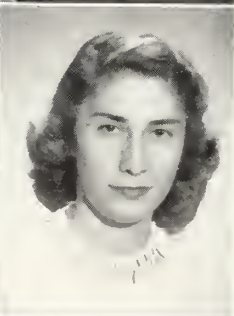

BARBARA SWANSON

History
With three hours of senior work to complete in summer school, Barb will be eligible for her B.A. Taking a year out to gain valuable working experience with the Swedish Steamship Lines, Barb resumed her studies this year. She will resume that work, which includes a trip to Sweden soon.

HIMEO TSUMORI

Biology
Known for his fine ability in sports, Moe earned letters in Track, Football, and Basketball, and competed in Intra-murals. President of Senior Lodge this year, he also was a member of the Philosophy club. Although future plans are indefinite, Moe hopes to be a doctor.

CHARLES WEGER

Business Administration
Always quiet and ready with a willing smile, Charlie worked hard on the baseball diamond, as well as on his studies. Following work at the University of Illinois and DePaul University, he transferred to Elmhurst for his senior year. He will finish a language requirement this summer.

FRANCES WENTZEL

Christian Service
Frannie's friendly smile was seen in numerous committees and at the Library desk. Always busy, she was secretary of the Social Life Committee, vice-president and secretary of S.C.A., and a contributor to both *Elms* and *Elm Bark*. Frannie also served on the Homecoming court.

THOMAS WHITCOMB

Sociology
Returning from service, Tom resumed his studies in preparation for the ministry. Vice-president of the Senior class and president of the Sociology club, he was also interested in the Theater, Pre-the society, Anchor and Eagle club, and Firesides.

JOYCE WIELE

Christian Service
Joyce's first year was spent at Iowa Wesleyan. Coming to Elmhurst, she took part in the Psychology club, S.C.A., Philosophy club, and Firesides. Joyce served as student supervisor in the Library, and belonged to the Library Committee of the Student Union.

MAY YAMAMOTO

Biology
After graduating in January, May returned to California, her home state, where she pursued her chosen profession. She kept busy her two years at Elmhurst as a lab assistant in the Science department, but May still found time to be an active member of the French club.

FRANCIS KALLAY

Special Student
Francis' main objective at Elmhurst was to learn the English language, in order to put to use in the United States his four years of medical school work completed at the Royal Hungarian University at Budapest and Debrecen. He expects to finish his training and to be a doctor in the states.

"Auld Acquaintances Shall Ne'er Be Forgot—"

Every class which has spent four years on Elmhurst's green campus has left its thumbprint upon the pages of its history; thumbprints which cannot easily be erased, prints which add color and life, and which bring quick memories.

Our freshman year, we found the campus already nearly depleted of boys, and found many of the remaining few being called into the service. This was the last year the girls called Irion Hall "home" and the boys inhabited South Hall, for in our sophomore year we had exchanged abodes.

Still grieving over our freshmen "wounds", we, as sophomores, initiated the new freshmen with the proper amount of hazing. Besides our "Hay Mu" dance, we contributed to the social life of the campus our sophomore year by introducing a dancing class and also sharing in the new S.U. Room.

Our junior year was a decisive one for all of us, for we decided once and for all in what subject we would major, and "I have a conflict!" became a password. Preparations for the greatest junior prom kept us as busy as our studies would allow—and even busier. Many of our exservicemen returned and we watched the enrollment grow by leaps and bounds. We found a new meeting place in the new student union room, moved to the basement of Kranz Hall, and rejoiced over Mrs. Baker's pies.

The busiest of years, our senior year, passed the quickest of all as we made final preparations to take our place in "the outside world". We bid farewell to Dr. Lehmann and welcomed Dr. Dinkmeyer in the position of president. Looking forward with eager eyes to the future, we look backward with only fond glances to a grand stay at Elmhurst.

ELM BARK

CURRENT college news, "gezoo", "a priori", "gym gal", and "hoop scoop" all make the *Elm Bark* the first class newspaper that it is. At the annual contest held by the Illinois College Press Association in Galesburg, Illinois, in May, 1947, the *Elm Bark* was awarded first place in the weekly and semi-weekly contest of student papers of colleges of less than 1000.

At that time Barbara Cross was editor of the paper, but in January she was succeeded by Clint Hagemann. The Bark has increased to a six page paper, with photos of prominent students and speakers presented. The Bark office is now located in the basement of Irion Hall, and one will always hear typewriters buzzing and pens flying to meet the Tuesday deadline. Oh, for a Journalists' life! ! !

ELMS STAFF

Row One: R. Maisch, ass't editor; M. L. Olsson, J. Rende, M. L. Baas, T. Papsdorf, L. Sonneborn, R. Ansley, editor. *Row Two:* C. Janssen, circulation mgr.; J. Degi, S. Madi, advertising mgr.; A. THE ELMS

CONFRONTED with the added responsibility in recording the history of the largest student body ever to attend Elmhurst, the entire staff of *The Elms* placed hard work and co-operation as their by-lines.

At almost any hour of the day and half the night, the office, located in "publications corner" next to the *Bark* in Irion Hall basement, was humming with activity. One could see some hard-working staff member either proofreading, typing, composing page plans, writing captions, keeping finances in order, or plugging for "ads". Photographic, engraving, and printing deadlines had to be met—and then came the smiles of delivery.

As we write a *finis* to the *Elms*, we hope that the result of the efforts of the staff members will provide pleasant recollections for every reader.

Craftsmanship

HAS BEEN THE KEYNOTE of Rogers yearbooks for forty years. And it will continue to be our ideal, because responsibility to see that your publication is well printed is shared by the entire organization.

The Rogers tradition of sincerity and quality has been recognized by many schools as a security to the institution and an inspiration to the staff.

“JAHN & OLLIER AGAIN”

A slogan signifying a service created to excel in all things pertaining to yearbook design and engraving.

We have found real satisfaction in pleasing you, the yearbook publisher, as well as your photographer and your printer.

JAHN & OLLIER ENGRAVING CO.

UNTIL WE MEET AGAIN

It is with mingled emotions that administrative officers, faculty members, and others of the Elmhurst College Staff watch the graduation of another Senior Class.

We share in your joy as you look forward to a new era in your lives, but as we review the years you have spent with us, the many pleasant memories bring the realization that we shall miss each of you.

It is our hope and prayer that the years will be good to you—that the promise you have shown in your work here will be fully realized in happy lives and in Christian service to your fellow man.

We are confident that the bond which has been established between you and your Alma Mater will bring you back to its campus at every opportunity. On these occasions, one of the principal gratifications of those who work in education will be ours—to shake the hand of a returning Alumnus and to hear and share in the happiness, and perhaps the sorrow, which has come in the years since graduation.

Farewell, Seniors, until we meet again!
